REGISTRATION FORM

Do you use a scooter, walker, wheelchair, walking stick (cane) or other mobility aid to get around in New Westminster? If you do, we invite you to participate in the Wheelability Assessment Project!

The City of New Westminster is conducting a pilot project to assess the “wheelability” of the Uptown and Downtown neighbourhoods. Key project goals are to:

- prepare route maps and information, including gradients, accessibility features and potential obstacles;
- inform City policies, practices and design decisions related to wheelability.

There will be two Assessment Project Event Days. Check when you can participate:

- Uptown New Westminster: Saturday, Sept. 12, 2009, from 10:00 - 12:30
 Downtown New Westminster: Saturday, Sept. 26, 2009, from 10:00 - 12:30

Event Schedule:
