

NEW WESTMINSTER

Thank you for your interest in volunteering at our Animal Shelter! New Westminister Animal Services is always in need of volunteers to help give the extra attention and exercise to our adoptable animals. From dog walking to cat socialization, there are many opportunities for you to help a little critter in need.

Volunteer Positions Available:

Dog Walker

As a volunteer dog walker, you will have to chance to spend quality one-on-one time with our dogs. Whether it is a walk around Queensborough and the Fraser River or just playing in the exercise yard, this extra attention goes a long way with easing the stress of daily shelter life.

Available: 10:30am – 3:30pm seven days a week.

Cat & Small Animal Socialization

With so many cats and small animals residing at the shelter, it is very important that they receive the most interaction in order to feel comfortable. Helping socialize the animal through play, praise and providing love is very important and helps increase their chances of being adopted.

Available: 10:30am – 3:30pm seven days a week.

Animal Grooming

Like humans, animals require grooming in order to feel and look their best. Though with different personalities, this can be either a challenging or fun and amusing experience.

Available: 10:30am – 3:30pm seven days a week.

Who can volunteer?

Adults, youths and children can volunteer at our shelter. Please note that volunteers under the age of 19 years will be required to attend with an adult volunteer and cannot volunteer on their own. Also, any volunteer under the age of 19 years will not be able to participate in the dog walking program without being accompanied by an adult volunteer and only the adult volunteer can handle the dog during the walk.

How you can volunteer?

Becoming a volunteer is easy! There are four steps to becoming a volunteer with our Animal Shelter:

Step 1: Contact Animal Services to receive the following:

- Animal Services Volunteer Application Form

- Criminal Record Check:
 - Criminal record checks are only applicable to volunteers 19 years of age or older
 - New Westminster residents please take these forms and 2 pieces of government issued identification (e.g. BC driver's license, passport, etc.) to Police Services (555 Columbia Street) from 7am to 3pm. Police Services will contact you once the check is complete and available for pick-up. This will be provided free of charge.
 - Volunteers **not** residing in New Westminster please contact Animal Services and we will assist with completing a criminal record check in your jurisdiction.

Step 2: Once the above forms have been completed and submitted to Animal Services, you have an interview with an Animal Services Officer. This will assist us with matching the best position for your skill level.

Step 3: You will attend an orientation session at the Animal Shelter where you will be provided a full tour of our facility. Volunteers interested in becoming a dog walker will attend one more training session which will cover some basic leash skills.

Step 4: Start volunteering by scheduling a shift!

Thank you again for your interest in volunteering and we look forward to receiving your application in the near future. Please feel free to contact our shelter if you require any additional information.
