(c) For buildings with 3 or more storeys:	\$21,450.00

6.0 **SECURITY FOR DAMAGE TO MUNICIPAL FACILITIES AND/OR OBSTRUCTION OF ROADS BY BUILDERS**

6.1 In addition to any other fee payable pursuant to this bylaw, where the construction site is served by any street upon which there is a sidewalk,

curb and gutter, drainage swale, street light, storm sewer, sanitary sewer, water service, or a combination of any of these either existing or required to be completed prior to final inspection and acceptance of the property, every applicant for a building permit shall, at the time of application, deposit with the City security, in a form acceptable to the City in the amount prescribed in the table below.

DAMAGE DEPOSITS	
Demolition Permit	\$1000.00
Single Detached Dwelling (SDD) Permit	\$2500.00
Duplex Permit	\$3000.00
Corner Lot – SDD or Duplex	\$3500.00
All Other Building Permits	1% per \$1000 Construction Value Minimum Fee \$3500.00 / Maximum Fee \$50,000.00

- 6.2 The Security may be applied by the City in payment of any costs or expenses which may be incurred by the City in repairing, installing or replacing City properties which are damaged during, and such damage is attributable to the carrying out or construction of the works authorized by the building permit or which are incidental to such works; or, for clearing any debris, materials, dirt, chattels or equipment which has accumulated on any street, road, avenue, alley, sidewalk, boulevard or any part of a road allowance as a result of work carried out in connection with the building permit.
- 6.3 In addition to the deposit of the Security, a non-refundable Damage Deposit Processing Fee of \$55.00 shall be paid prior to issuance of the building permit.
- 6.4 Where additional inspections are required to ensure compliance with this section, a re-inspection fee of \$137.00 will be deducted from the Security for each additional inspection.
- 6.5 The Security shall be returned to the applicant after:

- (a) a final inspection, acceptable to the building official has been conducted; and
- (b) the building official has ascertained either that no damage has occurred or that, if any damage to City property has occurred, the damage has been repaired or corrected to the satisfaction of the building official.

- 6.6 The building official shall inspect City properties adjacent to the construction site after final inspection and acceptance by the building official. Any damage to City properties caused directly or indirectly by the construction related to the permit not repaired or corrected at the date of such inspection shall be recorded and the building official will request a written estimate from Engineering Operations. The City shall, at its convenience, complete the necessary repairs and the full cost of the repairs shall be taken from the Security. Should the Security be more than the cost of the repairs, the remainder shall be returned to the applicant. Should the cost of the repairs be more than the Security, the applicant or owner of the property for which the building permit has been issued shall be required to pay those costs exceeding the Security. If the costs are not paid, they may be added to, and collected in the same manner as ordinary taxes as authorized in Section 376.(1).(b) of the *Local Government Act*.
- 6.7 Where during the course of construction, the building official discovers that any street, road, avenue, alley, sidewalk, boulevard or any part of a road allowance is obstructed by debris, materials, dirt, chattels or equipment of the owner or his agent, the building official shall request the owner to remove the obstruction immediately. Failure to comply will result in the City removing the obstruction and claiming the full cost of removal from the Security. The owner shall then deposit sufficient money to return the Security to its original amount.
- 6.8 Forfeiture of the Security in no way relieves the applicant of responsibility for the total cost of repair or correction should the cost exceed the Security.
- 6.9 The applicant shall make an inspection of all City properties adjacent to the construction site and shall submit a report, with photographs attached, of any existing damage to the City Engineering Department prior to commencing work. All damage to City property observed at final inspection shall be deemed to be caused by the applicant, unless reported as outlined above.
