Working at the Canada Games Pool, you will perform supervisory lifeguard functions at an indoor and/or outdoor aquatic facility by ensuring the safety of swimmers and supervising the use of swimming and related recreation areas. This work involves supervising and coaching designated staff and assisting in the implementation of aquatic programs for all ages, as well as responding to inquiries and complaints and building rapport with customers. Other duties include performing a variety of operational, janitorial and minor maintenance tasks.

If many of the following characteristics and skills describe you, we want to meet you!

- You have a positive, energetic approach to work.
- You have the ability to be flexible and are adaptable to change.
- You have completed Grade 12 supplemented by courses in lifesaving, aquatic skills, instruction and pool operation and maintenance plus sound related supervisory experience, or an equivalent combination of training and experience.
- You have a valid National Lifeguard (NL) Award.
- You have a valid Red Cross Water Safety Instructor's Award and St. John's Standard First Aid Award (must include AED, CPR C, and OFA 1).
- You have sound knowledge of the theory and practice of lifesaving, artificial respiration and first aid and the principles and practices involved in planning, organizing and promoting recreational aquatic programs.
- You have working knowledge of teaching methods and of group leadership techniques.
- You have working knowledge of pool chemistry, water filtration, chlorination and related pool equipment and procedures.
- You have the ability to supervise aquatic staff and to conduct orientation and training sessions.
- You have the ability to answer inquiries and handle complaints from the public, private clubs and user groups, and to establish and maintain effective working relationships with a variety of internal and external contacts.
- You have the ability to prepare and maintain a variety of charts, records and reports related to the work.
- You have the ability to perform a variety of janitorial and minor preventive maintenance tasks.
- You must be able to pass and maintain a clear Police Information Check.

\*If you are seeking additional hours, Auxiliary Aquatic Leaders have the ability to be scheduled for Lifeguarding specific shifts in addition to their Aquatic Leader shifts.
