

*The purpose of this guideline is to assist the applicant through the Tenant Improvement Building Permit Process. This guide will provide the customer with information on the City's requirements for permits and inspections. At any time during the course of the process please feel free to call staff for assistance or clarification.*

## **What approvals are required?**

### **1. Business License:**

- Confirms proposed use is in compliance with the City's Zoning Bylaw
- Ensures compliance with the City's Business License Bylaw

### **2. Fraser Health Approval:**

- The following uses will require approval from Fraser Health Authority, Environmental Health Officer
  - All food premises where food or drink is handled, prepared, stored or served
  - Personal Service Facilities such as: Hair Salons, Tanning Salons, Tattoo parlours, Spa facilities (nails, estheticians, skin care)
  - any business that provides a service to or on the body of another person
- Schools and day care facilities

### **3. Building Permits are required when you wish to:**

- change the use or occupancy of a tenant space;
- repair, renovate or add to an existing building;
- remove, relocate, alter or construct interior walls;
- complete a previously unfinished area in an existing tenant space;
- alter or upgrade an existing fire alarm system
- install a new fire alarm system

### **4. Plumbing/Sprinkler Permits are required when you wish to:**

- install new plumbing fixtures
- install, replace or alter water, drain, waste and vent lines
- alter an existing fire sprinkler system;
- install a new fire sprinkler head and/or system
- Note: A Building Permit is also required whenever a Plumbing Permit is required

**If you are unsure whether the work you are performing requires a permit,  
Please contact the Building Department for more information.**

**Contact the Building Department at  
604-527-4580 or email [inspections@newwestcity.ca](mailto:inspections@newwestcity.ca)**

### **Processing of Building/Plumbing/Sprinkler Permit Applications:**

Processing of a permit application for compliance with the bylaws of the City is dependent on:

- volume of applications currently in progress;
- the complexity of the project;
- the accuracy of the application;
- if a development variance permit *or rezoning* is required
- the compliance of the plans with the applicable zoning and other bylaws including the current edition of the building code;

### **Issuance of a Building, Plumbing or Sprinkler Permit:**

A Permit will be issued following the acceptance of plans showing compliance with City Bylaws and other applicable enactments and the payment of the appropriate permit fees. Please note that contractors are required to have valid trade qualification identification for sub-trade permits and a current Business License with the City.

**NOTE:** *No excavation, shoring, erection, alteration, enlargement, repair, removal, move or demolition of any building or structure, part thereof, shall be commenced or undertaken without a permit being first obtained from the Building Department. A double permit fee shall apply if the work has commenced without obtaining a Building Permit.*

### **Inspections:**

- inspections must be requested by the owner or his agent;
- all work being inspected must be complete and ready prior to inspection;
- work must not proceed past any of the stages listed without prior clearance;
- the street address and permit card must be posted in a visible location on the site;
- the approved permit plans and all prior inspection notices, including plumbing notices, are to be available on site for all inspections.

No person shall use or occupy or cause or permit to be caused or occupied any building or part thereof until he has received an Accepted FINAL Building Inspection from the Building Official.

All plans and information submitted must be of an appropriate scale with sufficient detail to establish compliance with the building code and the bylaws of the city. The plans are to be **legible** and of **suitable quality** for archival storage. **If you are unable to draw appropriate plans, then you must obtain the services of a qualified person.** Drawings will be accepted in either metric or imperial, but all documentation must be consistent throughout in one standard only.

REQUIRED DOCUMENTATION	Required	Submitted
Permit Application Form	✓	
Letter of Authorization ( <i>If applicant is not title owner</i> )	✓	
<a href="#">Title Search</a> ( <i>no older than 48h old – obtain from BCLTSA office</i> )	✓	

EXISTING BUILDING INFORMATION	Yes	No
How many storeys high is the building?		
Is the building sprinklered?		
Is there a fire alarm system?		
Will there be alterations or additions to the sprinkler system?		
Any alterations to the plumbing system?		
Is there a grease interceptor existing?		
Any changes to the mechanical system?		
Is food handling involved in the use?		
Storage of Dangerous goods?		
Storage / Use of combustible or flammable liquids, gases, etc?		

Note: Any plumbing and/or electrical work must be completed by a trades qualified professional. An owner/tenant is not permitted to do their own work. Appropriate permits are required.

**If you are unsure whether the work you are performing requires a permit,  
Please contact the Building Department for more information.**

**Contact the Building Department at  
604-527-4580 or email [inspections@newwestcity.ca](mailto:inspections@newwestcity.ca)**

**Please ensure that your permit drawings meet all of the below requirements. Should the drawings not contain required information, your permit application will not be accepted**

REQUIRED DRAWINGS – (3 Copies are required, )		Submitted	Not Req'd	Required
<b>Key Plan *</b>	Full Floor Plan showing location of tenant space			
Min. Scale:

As owner or owner's agent, I have verified that the information contained within this document and associated applications and plans is correct, and describes a use, a building or work, which complies with all relevant by-laws and statutes. I understand that personal information contained in this form will not be released to the public except as required by law; however all associated applications and plans will be made publicly available during the development or building application process. I acknowledge that responsibility for by-law compliance rests with the owner and the owner's employees, agents and contractors. I will indemnify and save harmless the City of New Westminster, it's officials, employees and agents all claims, liabilities and expenses of every kind, in respect to anything done or not done pursuant to this application or fact sheet or ensuing permit, including negligence and/or the failure to observe all by-laws, acts or regulations.

I understand that the Building Bylaw makes it incumbent upon the Owner to call for inspections of the work at certain stages in the work. The failure of the owner to call for such inspections is an offence under the Bylaw. The Building Official shall not be responsible for any inspection not called for or damages, direct or indirect rising from such failure.

The person signing this application form, if not the owner, acknowledges that the undersigned is an agent for the owner and that they are authorized to bind the owner who is deemed to know of and understand the contents of this form.

- Is the subject property or properties designated under the Strata Property Act? If yes, then a resolution and/or minutes must be provided acknowledging receipt of the proposed application.

Date: \_\_\_\_\_ Signature of Agent(s): \_\_\_\_\_

Consent of a Strata Corporation is required for work that will involve or affect Common Property and Limited Common Property. In accordance with the *Strata Property Act*:

“Common Property” means

- (a) that part of the land and buildings shown on a strata plan that is not part of a strata lot, and
- (b) pipes, wires, cables, chutes, ducts and other facilities for the passage or provision of water, sewage, drainage, gas, oil, electricity, telephone, radio, television, garbage, heating and cooling systems, or other similar services, if they are located
  - (i) within a floor, wall or ceiling that forms a boundary
    - (A) between a strata lot and another strata lot,
    - (B) between a strata lot and the common property, or
    - (C) between a strata lot or common property and another parcel of land, or
  - (ii) wholly or partially within a strata lot, if they are capable of being and intended to be used in connection with the enjoyment of another strata lot or the common property;

“Limited Common Property” means common property designated for the exclusive use of the owners of one or more strata lots.

I am a member of the Strata Council for the Strata Corporation of the above-noted property and hereby confirm on behalf of the Strata Council that the Strata Corporation consents to:

- Release of archived copies of building plans related to the Property
- Work that will alter Limited Common Property adjacent to Unit Number \_\_\_\_\_
- Work in Unit Number \_\_\_\_\_ that will affect Common Property, Limited Common Property or both owned by the Strata Corporation

The work permitted is as follows (provide description of building, plumbing, electrical work):
