

CO-ED VOLLEYBALL LEAGUE PLAYING GUIDELINES

The New Westminster Parks and Recreation Recreational Volleyball Program strives to provide volleyball for individuals of all abilities and skill levels based on the principles of low cost to the participant, maximum participation and socialization, and most importantly...FUN! As such, the following guidelines have been developed, to help facilitate the conduct of play:

CODE OF CONDUCT:

All customers, visitors and volunteers are expected to treat each other with respect, dignity and fairness. As such, the following is prohibited:

- Behaviour, actions or language that promotes discrimination, racism, hatred or is demeaning.
- Aggressive acts, threats, violence or profanity.
- Illegal behaviour or destruction of property.
- Use or possession of alcohol, cannabis, drugs or other intoxicating substances.
- Use or possession of weapons.
- Any action or interactions with children or youth deemed harmful, abusive, coercive, manipulative or illicit in nature.

Help us make the league a safe place for everyone and report any unusual behaviour to a staff member or league coordinator.

THE PLAYERS:

1. Teams are expected to play with six players on the court. If your team shows with only five players, your team can play the game without defaulting, but you will have to play with a “ghost” player, (an empty space in your rotation). The “ghost” player must have a position on the floor and participate in the rotation, when the “ghost” player comes up to serve, your team will receive an automatic loss of serve.

The ratio of men to women must be one of the following:

5 Players 3 men & 2 women or 2 men & 3 women

6 Players 3 men & 3 women

2. Players must be at least 19 years old to participate in this league.
3. All players must be listed on the final team roster and submitted to the league coordinator with the application form. No team shall commence play until a roster is submitted to the league coordinator or a referee. Additions or changes to the final team roster may be done prior to the commencement of the third week of play (each season) by submitting the changes to the league coordinator or a referee. A Pick-up Player’s list is available from the league coordinator and can be used for emergency substitutions throughout the year.
4. Players must play in at least 30% of the regular season games in order to be eligible to participate in the playoffs.
5. Teams may participate in only one division in the NWPR Volleyball League.
6. It is expected that members of this league execute respectful behavior to their fellow players and staff.

THE GAME:

All rules as stated in the Volleyball Canada Rule Book shall apply with the following amendments:

1. A coin toss will determine service for the first game.
2. Blocking or spiking a serve is not permitted.
3. When receiving a serve, players may only bump or set the ball.
4. The ball can make a single contact with any part of the body, except when receiving a serve or driven ball.
5. Should the ball contact any equipment (i.e. basketball hoops, ropes, etc.) and the referee judges it to be a playable ball, there will be a re-serve. If the ball would have been obviously out of play, then a point or loss of serve will be awarded.
6. All teams will play 4 games to 25 points, with a 2 point spread (capped at 27). Teams must be ready to play at their scheduled time with a minimum of five players. Failure to be ready to play will result in a first game default. Fifteen minutes will be allowed for the team to be ready for the second game. The same procedure will be used for the remaining games.
7. Point System:

WIN	1 POINT
LOSS	0 POINTS
DEFAULT	-1 POINTS
8. Any team showing with less than 5 players to play, will default the game and be awarded 0 points. Any team failing to show, (meaning: no players showing up at the gym or a team showing with 4 players or less but deciding not to play, even for fun) for more than two nights of play will be dismissed from the program with no money refunded, at the coordinator's discretion.
9. Only team captains may approach the referee to discuss their ruling. Please remember this is a recreational program and the referee's decision should be respected.
10. If time runs out during the final match of the set of games, both teams must mutually agree on the number of points which the final game will be played. This decision will be made upon the discretion of the referee.
11. Team rankings will be determined by the team with the greatest number of points. If two teams are tied, the winner of the games between the two tied teams will be used. Should the two teams still be tied, the scores per game will be calculated. End of season standings will be available with the playoff schedule.

ALL THE REST:
