

NEW WEST WINTER WEATHER GUIDE

Let's work together!

NEW WESTMINSTER

CLEARING SIDEWALKS

Our sidewalks are shared by everyone.
We're all responsible for keeping sidewalks safe and accessible.

Clear by 10am the day after snowfall.

See Street and Traffic Bylaw No. 7664.

Clear all sides of your property

including curb letdowns and bus stop areas.

Shovel down to bare concrete.

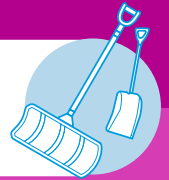

Don't shovel snow onto road.

BE PREPARED

SHOVEL

One for your **sidewalk/driveway**, one for your **car**.

ICE MELT

Suitable de-icing products are available for purchase at local retailers.

PLAN AHEAD

Find someone who can clear snow for you in your **absence**.

WINTER TIRES

You'll need these from **Oct 1 – Mar 31**.

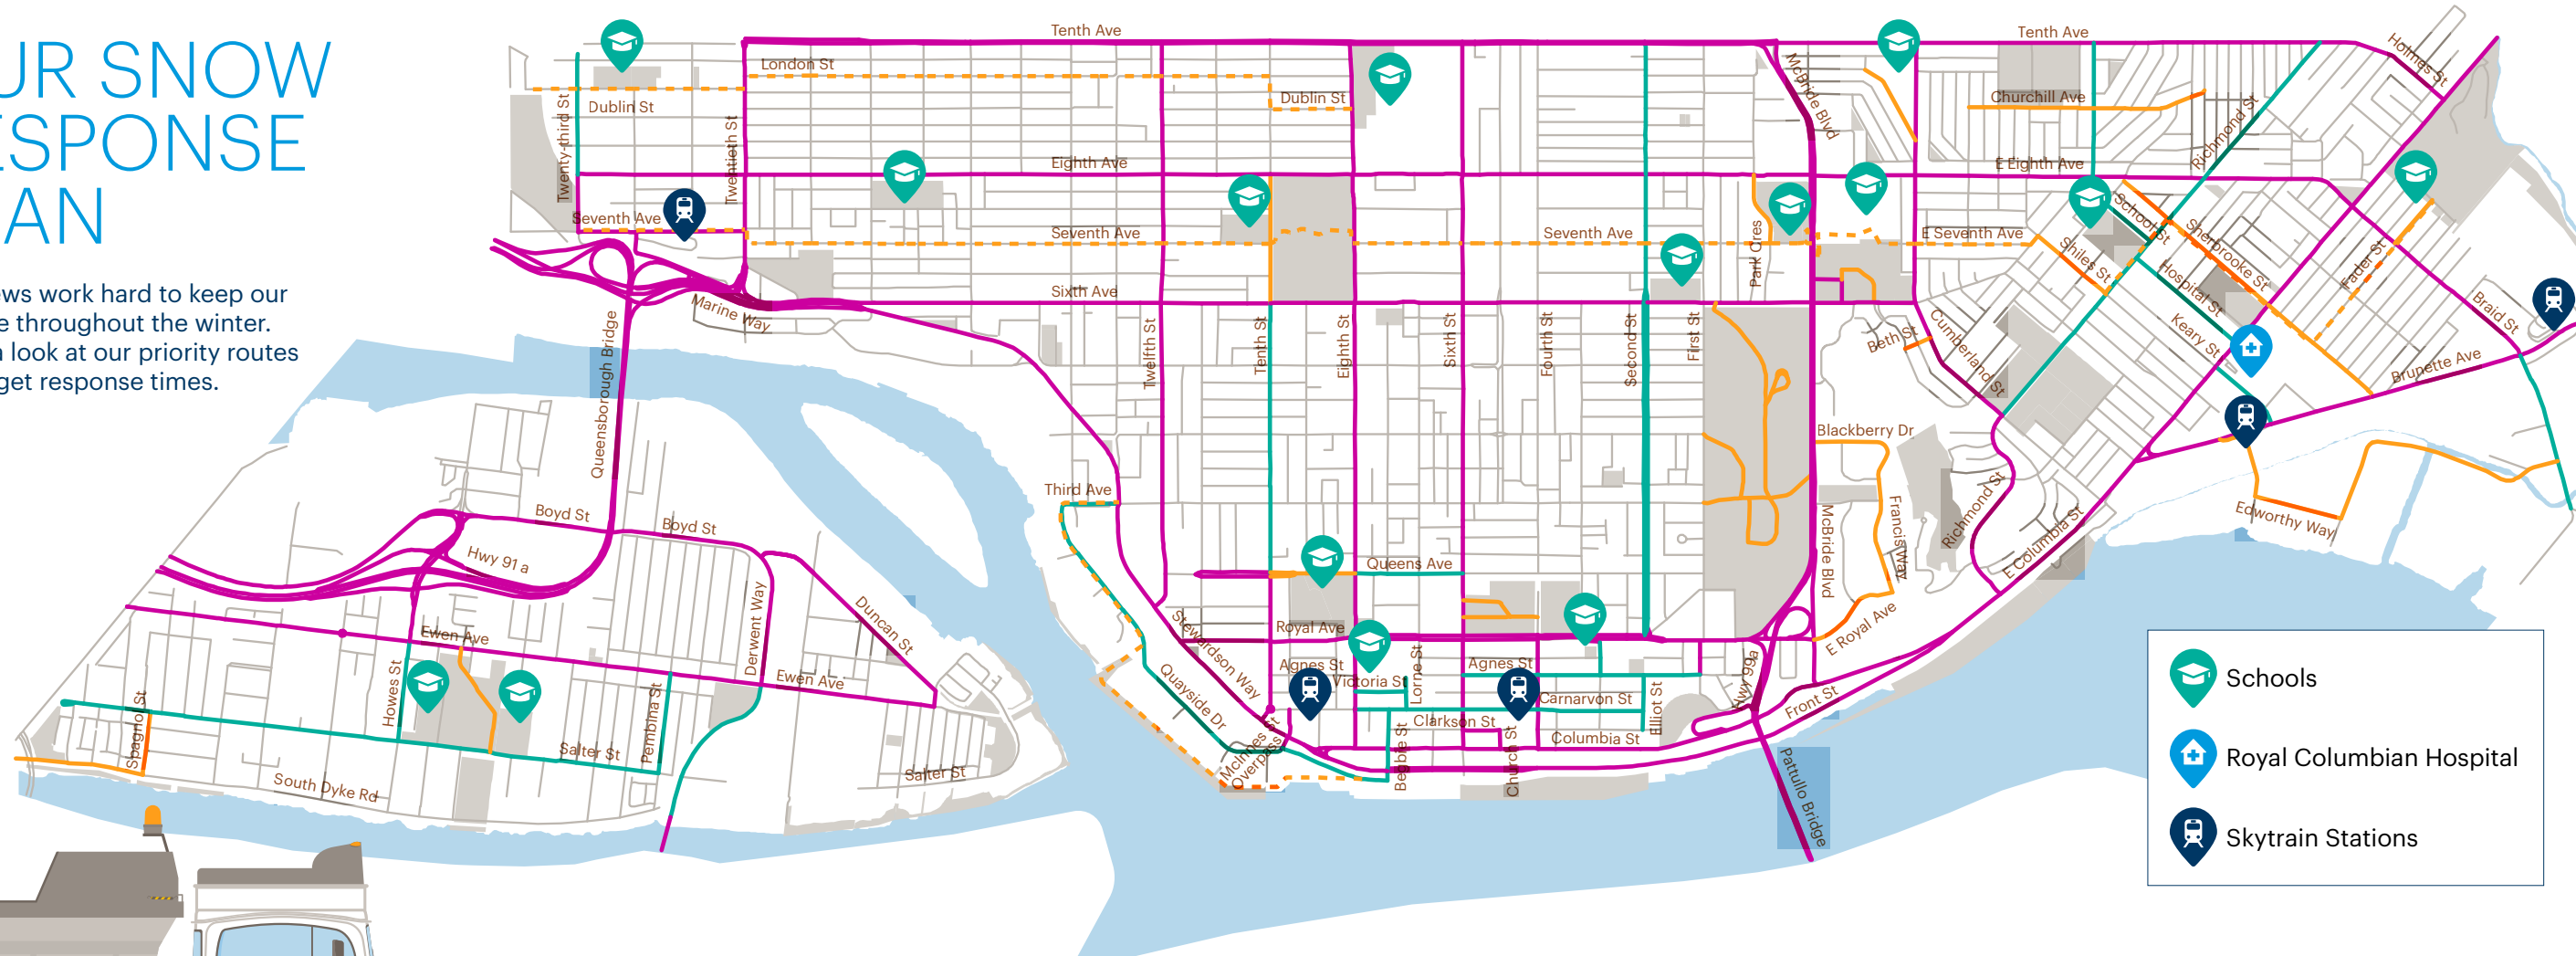

Lend a helping hand

Adopt the sidewalk of a senior or person with limited mobility and help keep it clear all winter!

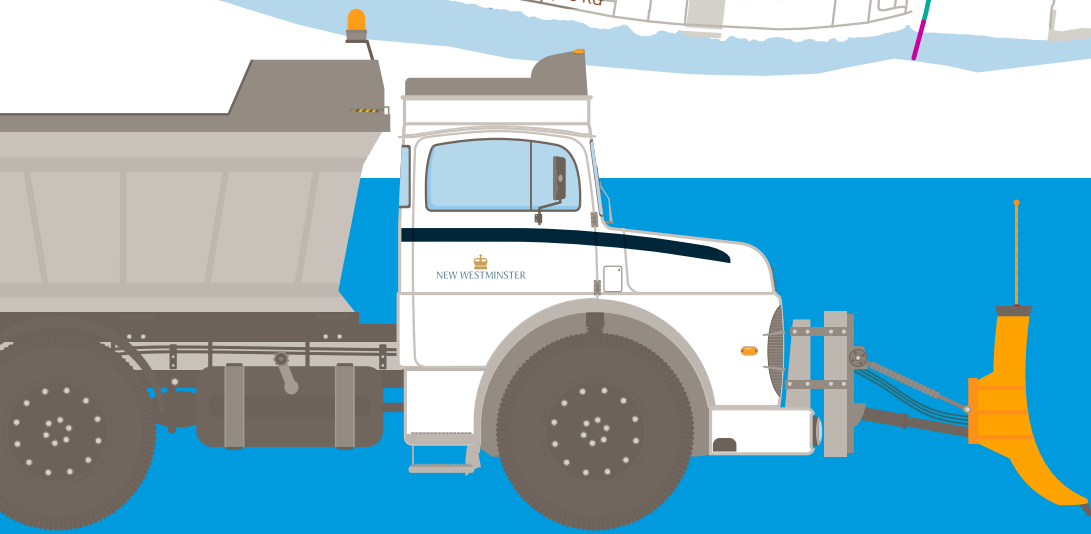

OUR SNOW RESPONSE PLAN

Our crews work hard to keep our city safe throughout the winter. Here's a look at our priority routes and target response times.

-  Schools
-  Royal Columbian Hospital
-  Skytrain Stations

Priority	Routes	Target Response Time
1	Arterial streets, major roads with steep hills, major access for emergency vehicles and primary care facilities	Within 24 hours after end of snowfall.
2	Major collectors, bus routes and rapid transit stations, schools along steep hills	Within 48 hours after end of snow fall.
3	Neighbourhood collectors, major civic facilities, schools in flat areas, arterial bike routes	Within 24 hours after Priority 2 routes complete.
4	Local roads and access lanes	Within 24 hours after Priority 3 routes complete.
