ANSWERS TO SUBMITTED QUESTIONS

Q1 You specify seating for 3, were you wanting a crew cab for this or are you good with a regular cab with the smaller bench seat in the back?

A1 Crew cab is not required.

Q2 Deluxe driver's seat, how deluxe do you want to go? Upgraded cloth seat or all the way up to heated and air conditioned leather? There is a fairly large price difference and I don't want to guess on what you are considering deluxe.

A2 Heated and air conditioned are not required. Please put seat option costs as additional cost on the tender.

Q3 Is it safe to assume that for the deluxe driver's seat with fore / aft adjustment you are meaning 4 way adjustable?

A3 Correct.

Q4 Lunch box storage, do you require an actual storage box in the cab to keep lunch in?

A4 Does not need an actual storage box built in for this option

Q5 Tool storage, do you require an actual tool box in the cab to keep tools in or is toolbox on the body acceptable?

A5 Tool box on the body not in cab.
