ANSWERS TO SUBMITTED QUESTIONS

Q1 Our company will need to submit the MSDS sheets for approx. 10-15 proprietary products. Each products MSDS sheet is 3 pages. This alone will put us over the max bid doc requirement. Will you remove or adjust the max amount of pages we can submit to ensure we are able to meet all requirements set out within this RFP?

A1 The MSDS sheets can be added to the RFP as appendices and will be fine if they exceed the amount stated.

Ron Gidda, SCMP
