ANSWERS TO SUBMITTED QUESTIONS

- Q1 Can the city offer any guidance with respect to overall project budget envelope? As the scope includes a number of deliverables, it would be helpful to know, if possible, what kind of room we have to work with as we proceed with estimating and pricing.
- A1 No - the City does not have a specific budget for this project. The City acknowledges that there are a broad range of options to best address the RFP requirements that a respondent may wish to consider. Proponents are invited to be innovative and provide additional services for consideration, when providing options, include a description, the extra hours and the cost.
