ADDENDUM #2
NWRFP-21-08
Play Equipment Replacement, Queen's Park Playground
New Westminster, BC

This addendum modifies the Request for Proposal only as noted:

PART 1 RFP PROCESS AND GENERAL REQUIREMENTS

<ADD>

“15.0 TREE PERMIT

- 15.1 The General Contractor will be required to obtain a tree permit for this project at no-charge. In total, 23 trees (20-specimen size) will be protected under this tree permit and the contractor will provide a holdback of 10% of the value of the contract or \$207,500 whichever is less specially dedicated for tree protection security.”

PART 2 BUSINESS REQUIREMENTS

5.0 SUMMARY OF WORK

<ADD>

“5.3 Tree Protection

- a) Accessing the Staging Area (Low Exposure Activity)
 - 1) Tree Protection Barriers (TPB) are not required as the contractor is expected to stay on the designated roadways while traveling to and from the work site
 - 2) Condition of the trees along the two possible site access roadways will be documented by the City Arborist at project initiation and project completion
 - 3) The contractor is encouraged to take their own pictures of tree condition before the project begins and after the project is completed
- b) Accessing the Project Site from the Staging Area (High Exposure Activity)
 - 1) Condition of trees at the staging area will be documented by the City Arborist at project initiation and project completion
- c) Soil and Root Disturbance at the Project Site (High Intensity Activity)
 - 1) Construction methods for all excavation activities shall be approved by the City Arborist before the project begins
 - 2) Condition of trees on the perimeter of the work site will be documented by the City Arborist at project initiation and project completion.”
