ANSWERS TO SUBMITTED QUESTIONS

Q1 Can the City share with us the City’s 2019 structural report on the transportation inventory as shown in this proposal.

A1 [For information purposes only, the 2019 Inspection Report is attached.](#)

Q2 In Section 3: Summary of work, there are several work items that appear to be referencing a replacement project (noted in item 3) such as archaeological and environmental assessments, which are not always required for repair projects. Can the City please clarify the anticipated scope of these assessments?

A2 [At this time, we cannot confirm if any archaeological and/or environmental assessments will be required for any rehabilitation projects. This item is listed as “if required”.](#)

Please acknowledge this addendum in your Proposal.
