

Notice of Intention to Register Title to Highway and Create an Air Space Parcel

Engineering Services

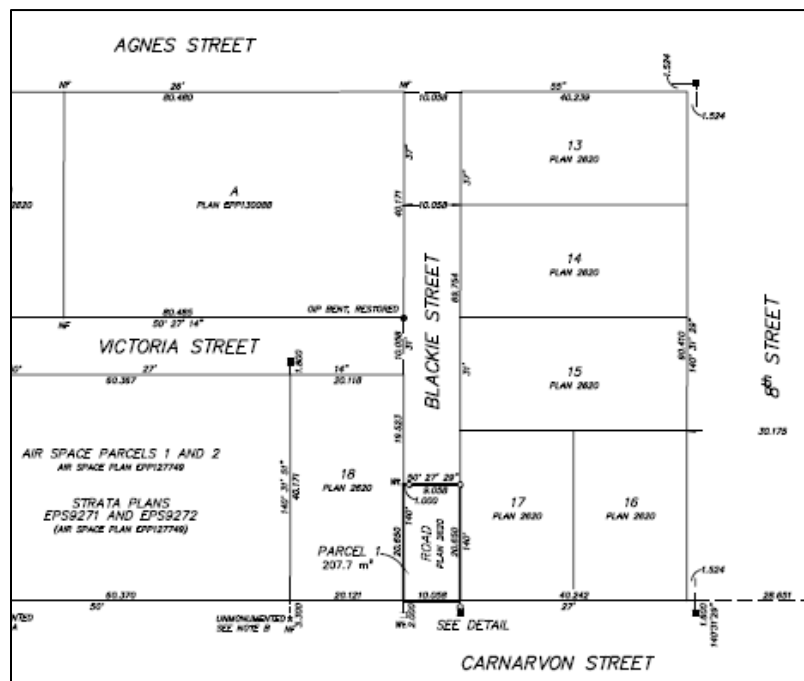

Notice is hereby given that the City Council of the Corporation of the City of New Westminster ("City") intends to consider adoption of *Title to Highway (Portion of Blackie Street) Bylaw No. 8545, 2026*.

The intent of the Bylaw is to register title to 207.7 square metres of road at Blackie Street, as shown on Plan EPP155294. The resulting parcel will subsequently facilitate the creation of an airspace parcel above Blackie Street for a future development. Blackie Street will continue to function as part of the public street network.

The City intends to dispose an airspace parcel in fee simple to Reliance Properties Ltd. at a future date. The proposed disposition is intended to facilitate the construction of an approximately 145-room hotel spanning above Blackie Street.

The airspace parcel location, dimensions and legal description will be established through a future survey and registration process. A separate Notice of Disposition will be provided at a future date.

Inquiries regarding the proposed may be directed to Mario Lee, Manager, Real Estate by email at marlee@newwestcity.ca.
