- NEILLE VIETNAMESE (AKA CHUBBY MAMAS)
- GYPSY TRUNK
- DISCO CHEETA
- TASTEE DAWGZ

Delicious food made all that work much easier!

5. Where was the Love OUR CITY event held on February 14, 2015?

A: Anvil Centre. *This event was a favourite among staff, community members and Council.*

6. There are twelve Policy Areas (chapters) in the OCP. Which three of the following are Policy Areas?

~~A. Strengthened Connections~~

B. PUBLIC REALM & URBAN DESIGN

~~C. Zombie & Apocalypse Preparedness~~

D. HOUSING

E. HERITAGE

~~F. Flood Management~~

Strengthened Connections is one of the seven themes that runs throughout the OCP. Flood Management is a Policy Area in the Queensborough Community Plan. Zombie & Apocalypse Preparedness was not addressed in this OCP.

7. We heard from you that the OCP needs to balance two key objectives. What are the **two focus areas** of this OCP? *(Fill in the blank.)*

Accommodating **GROWTH** _____

Increasing Housing **CHOICE** _____

We heard from the public that while accommodating growth is important to the city's future, we must balance that with ensuring there are diverse housing opportunities.

8. The OCP is a plan for the future, **looking towards what year?**

Answer: 2041.

9. **True or False:** The lead planner on the OCP is named Linda Roxbury?

Answer: FALSE. *Lynn Roxburgh was the lead planner on the OCP.*

10. The New West Museum currently has an exhibit on Planning in New Westminster that explores the City's planning history. **How many OCPs have there been in the history of the City** (not including neighbourhood plans)?

Answer: THREE. *This OCP is the City's third. The first OCP was adopted in 1983, and the second in 1998. However, there was a major OCP update and adoption bylaw in 2011, so we also accepted four as correct answer.*
