TERMS AND CONDITIONS

IMPORTANT: It is the resident's responsibility to pay the final balance and apply for the Home Owner Grant by the due date each year in order to avoid late penalty charges.

Withdrawals will be processed on the first day of each calendar month. Withdrawal amounts will first be applied to outstanding Property Taxes or Utilities before being considered a prepayment.
- 2: The monthly withdrawal amount is recalculated annually by estimating next year's Property Taxes and Annual Utilities and taking into account the Home Owner Grant, if applicable. You will receive a notification prior to the first withdrawal. The withdrawal amount will be automatically recalculated by the City every year unless a written request is received.
- 3: Simple interest of 3% below the rate of the City's banker's print rate will be paid from the date of the withdrawal.
- 4: Residents must notify the City 10 days prior to the next withdrawal for any changes to the PAPP. Forms are available online at <https://www.newwestcity.ca/services/online-forms/articles/4960.php>

- 6: There are no refunds available on the pre-authorized pre-payment plan.**
- 7: A service charge will be applied to your account for dishonored payments.

- 9: Accounts with arrears or delinquent taxes are subject to interest charges as provided in the Community Charter and/or bylaw authorized thereunder.
- 10: If a credit balance exists on an account on the tax due date, the credit will automatically be applied to reduce next year's monthly withdrawal amount.
