

NEW WESTMINSTER

Great City, Great Work, Great Future!

Utilityperson – Sewers & Drainage

DEPARTMENT:	Engineering Operations	STATUS:	Full Time
NO. OF POSITIONS:	One	UNION:	CUPE, Local 387
HOURS OF WORK:	7:30am – 4:00pm	SALARY:	\$30.58 per hour (2019 rates) + comprehensive benefits package

Reporting to the Supervisor, Sewer & Drainage Branch, you will perform manual maintenance, repair and installation work. Your duties include: locating and repairing broken or blocked sewer services and mains; installing inspection chambers and sewer services to the main; repairing and installing of catch basins; handling customer request calls; performing maintenance on sewer equipment such as pumps, Spartan Electric Rod's and other related tools in the Sewer & Drainage Branch; conducting T.V inspection sewer services and following up with a full and complete report on all sewer related issues; responding independently to emergency and after hour calls, and other related duties as required.

If the following characteristics and skills describe you, we want to meet you!

- You have a positive, energetic “can-do” approach to work
- You have completed Grade 12
- You have considerable experience in the maintenance of municipal sewer & drainage services and facilities, or an equivalent combination of training and experience
- It would be a bonus if you have EOCP Wastewater Collection Level 1 certification or have completed other related courses in sewers, drainage and safety related training.
- You have considerable knowledge of the methods, materials, tools and equipment used in the maintenance, installation and repair of municipal sewer & drainage services and facilities
- You have sound knowledge of the City's sewer & drainage system
- You have considerable knowledge of the safety precautions and hazards applicable to the work
- You have the ability to effectively perform tasks with minimum supervision and to exercise good judgment and independence when responding to emergency calls, after hours calls or other situations
- You have the ability to supervise the work of employees engaged in sewer & drainage maintenance, installation and repair operations
- You have the ability to understand and carry out oral and written instructions
- You have the ability to read and work from blueprints, plans, layouts and sketches, and prepare and maintain records related to the work
- You have the ability to establish and maintain effective working relationships with the public and other contacts
- You have the ability to employ contemporary services excellence principles at work
- You have the skill in the use and care of tools and equipment used in the work
- You must possess and maintain a valid Class 5 BC Driver's License
- You must be able to pass and maintain a clear Police Information Check

***This position participates in a Compressed Work Week program.**
