

Townhouse Program Map

JUNE 2026
This map is for reference only.

-  Zoned for Townhouse *
-  Proposed for Townhouse Phase 2 Zoning
-  Transit Development Areas
Residential properties are envisioned for higher densities, as aligned with provincial legislation for Transit Oriented Development Areas.

* The townhouse zoning allows owners to stay in their homes, to renovate or rebuild their home, or to consolidate properties to build townhouses. Talk to a planner for more details about your property by emailing plnpost@newwestcity.ca or calling **604-527-4532**.
