Townhouse Program Map

OCTOBER 2026

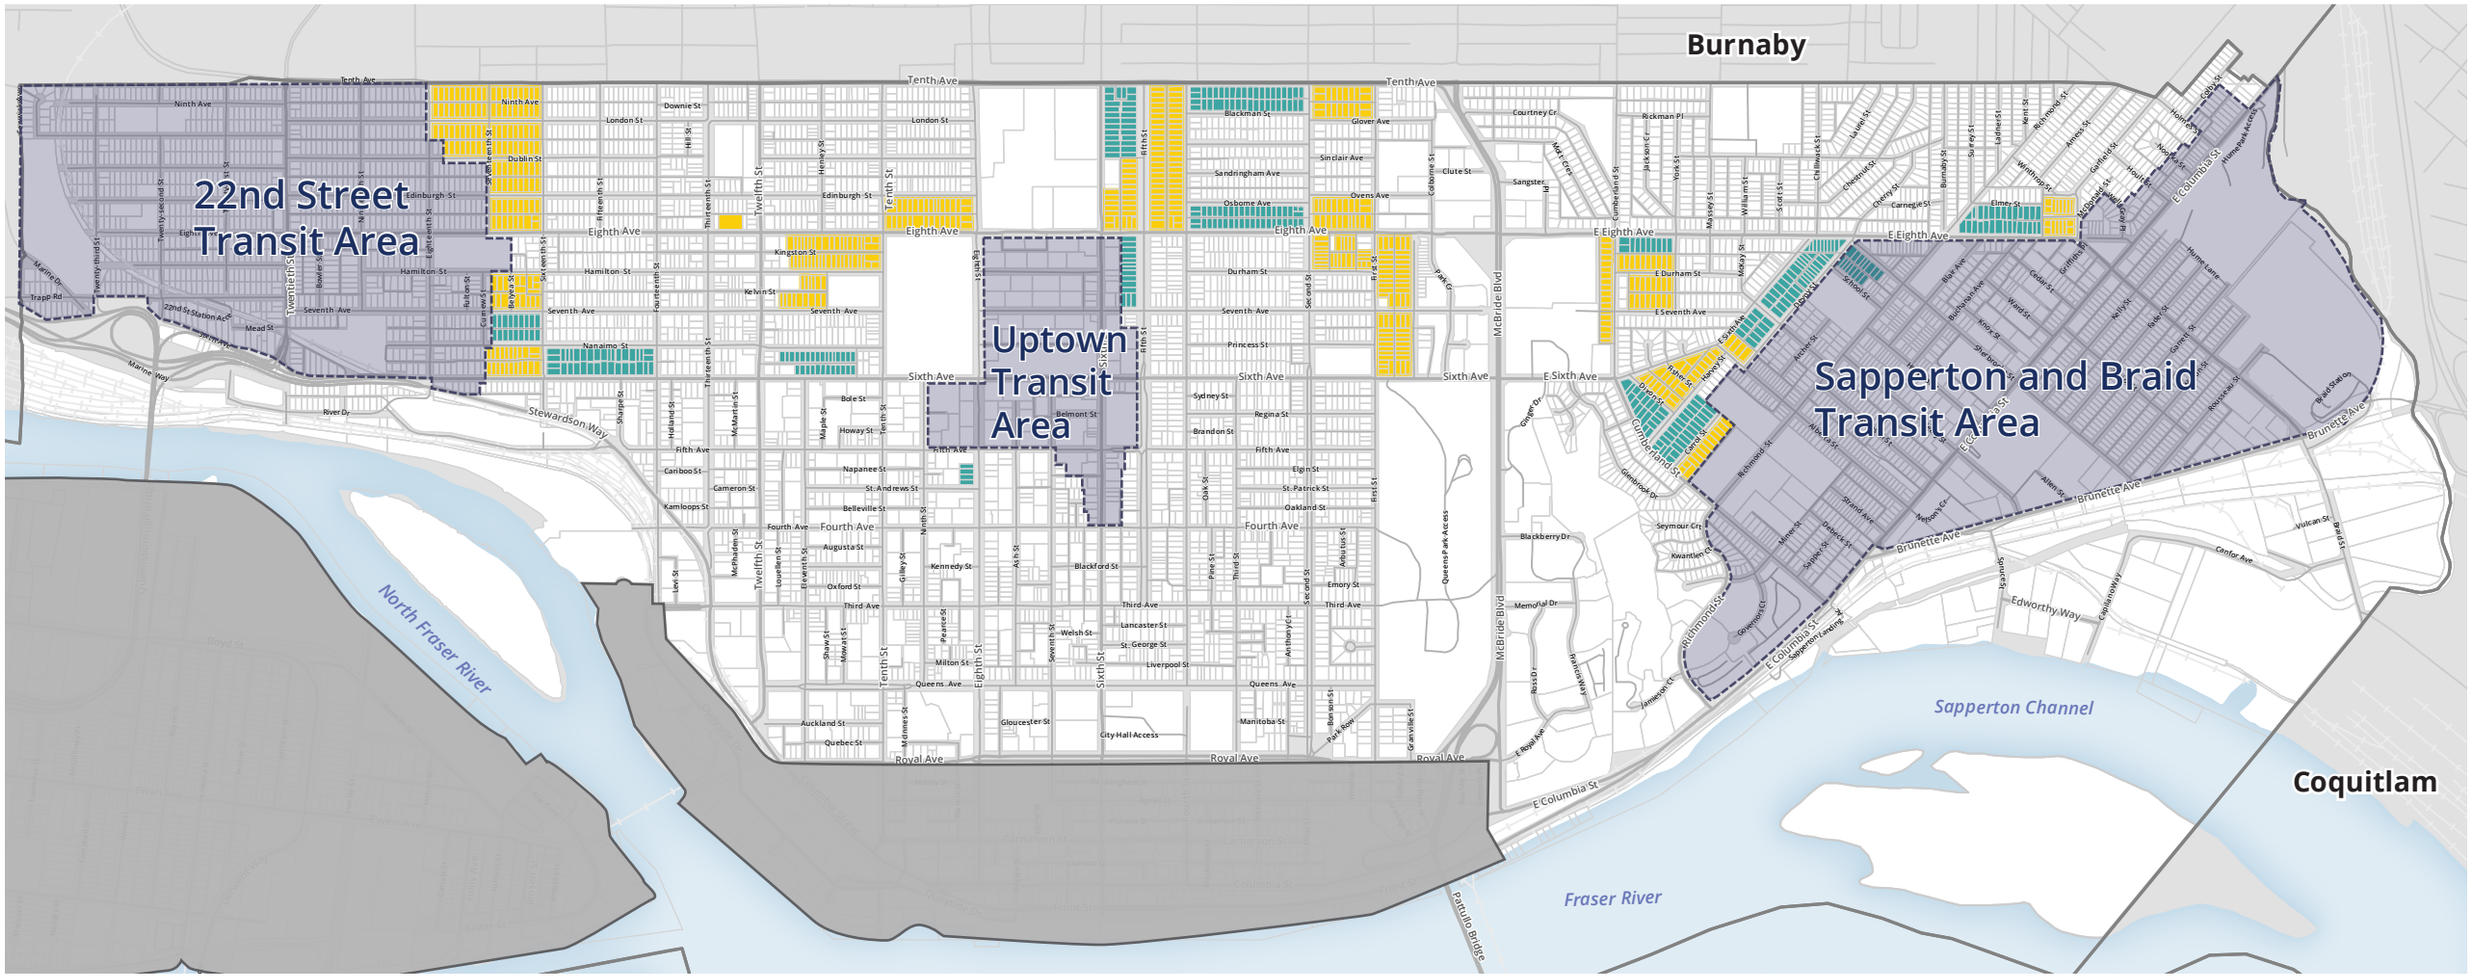

This map is for reference only.

Zoned for Townhouse *

Proposed for Townhouse Phase 2 Zoning

Transit Development Areas

Residential properties are envisioned for higher densities, as aligned with provincial legislation for Transit Oriented Development Areas.

* The townhouse zoning allows owners to stay in their homes, to renovate or rebuild their home, or to consolidate properties to build townhouses. Talk to a planner for more details about your property by emailing **plnpost@newwestcity.ca** or calling **604-527-4532**.
