

# Remember!

Telephones are not toys.

We use telephones when we need to talk to someone right away.

We can use a telephone to call for help in an emergency.

Never call 9-1-1 as a joke.

Never call 9-1-1 to ask for information.

Never call just to see if 9-1-1 works.

### What you should know about

### *When should I call 9-1-1?*

There are many different times when 9-1-1 can help. Here are some examples:

1. To get help for someone who is hurt.
2. If I smell smoke or see a fire.
3. If I see someone stealing something.
4. If I see someone hurting someone else.

### *What should I say when I call 9-1-1?*

1. Tell the person who answers what is wrong.
2. Tell them your name, address and telephone number.
3. Do not hang up until they tell you to hang up. They may have to ask you more questions.
