Committee Room No. 2, City Hall

AGENDA

1.0 ADDITIONS TO AGENDA

1.0

2.0 ADOPTION OF MINUTES

2.1 Adoption of the Minutes of March 17, 2010

3.0 PRESENTATIONS

3.1 811 Columbia Street (Mc & Mc Building) – Heritage Alteration Permit

The façade of the Mc & Mc Building was formally protected with a Heritage Designation Bylaw in 2008. The large development in progress on the site has now reached the point where permits are required to alter the Mc & Mc Building. Attached are design drawings and the heritage conservation plan for the work being proposed. Please review the application to determine if it satisfies the heritage conservation plan.

4.0 UNFINISHED BUSINESS

4.1 Discussion: Policy for the Use of Heritage Revitalization Agreements

4.2 Heritage Week – Review of Judging Process

5.0 NEW BUSINESS

5.1 428 Fourth Street – Building Permit Application

An application has been received to add a small roof to the deck at the back corner of this house which is listed on the City's Heritage Resource Inventory. According to City policy, the application must be reviewed by the Heritage Commission for comment. The design of the small roof picks up on details of the house. As well, the applicants have sourced matching roofing material for the new roof.

5.2 Demolition Permits – review by sub-committee Chair of the following:

- 312 Johnston Street
- 237 Phillips Street
