Map 1: Equity Needs

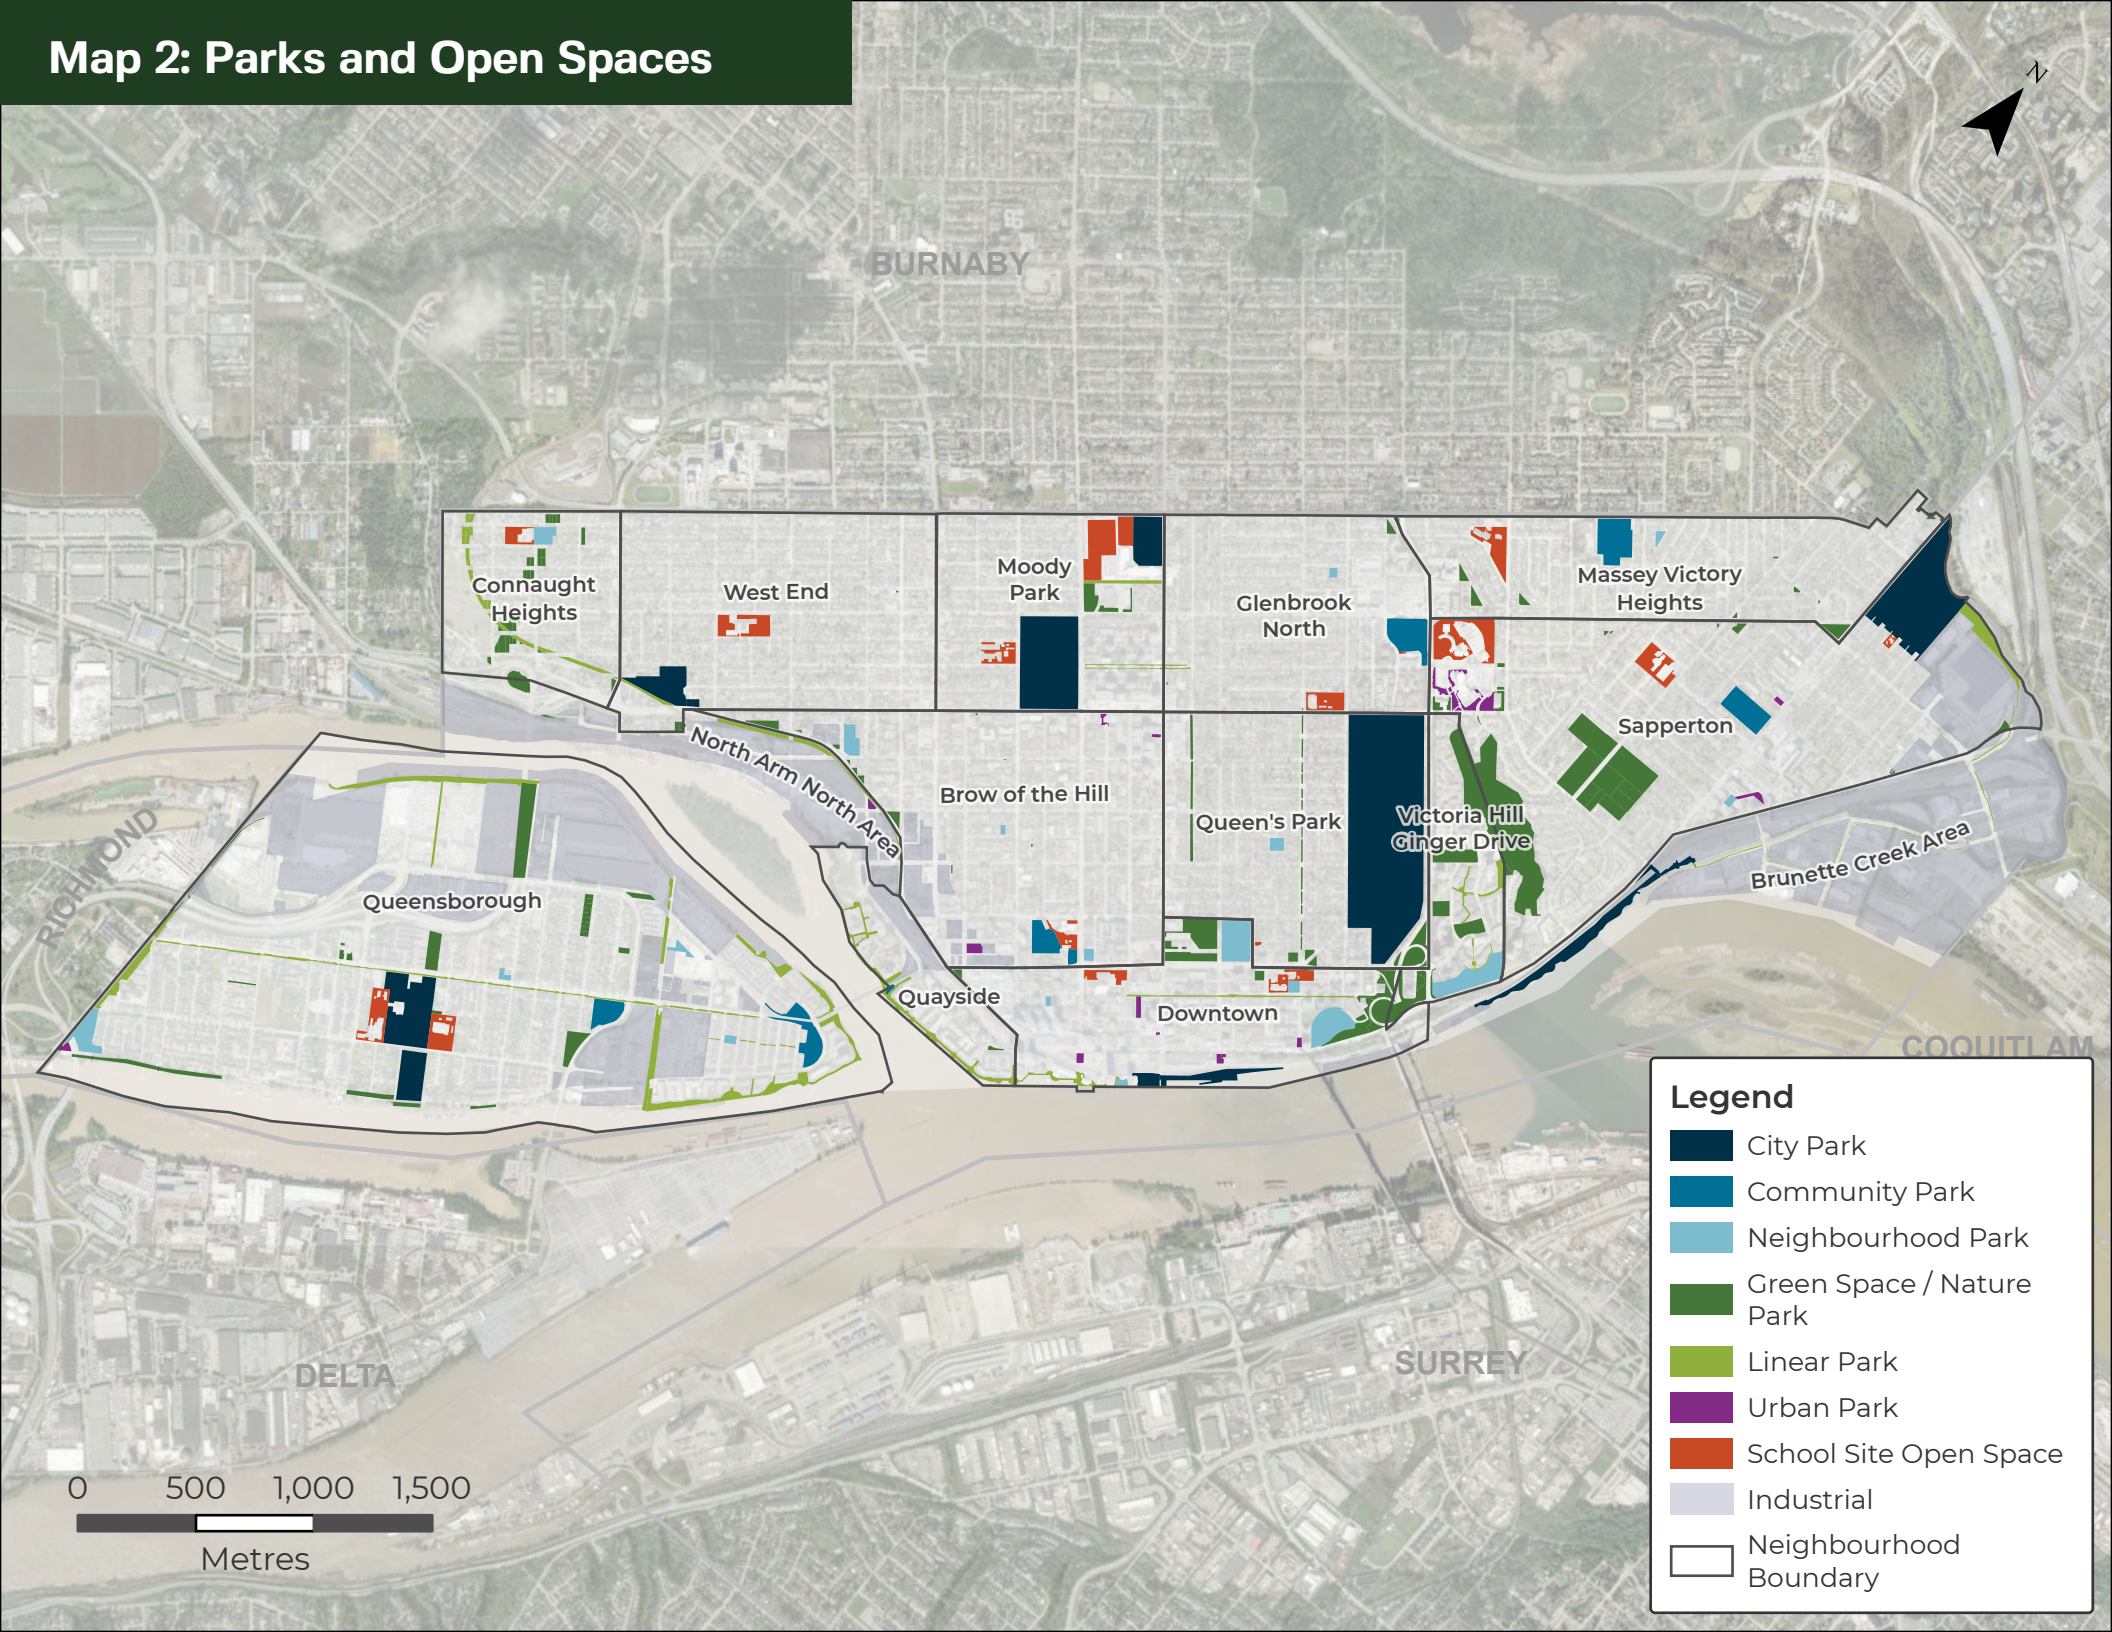

Equity mapping is based on census data for the following, which are the criteria for this map:

- High percentage of Indigenous identity
- High percentage of low-income households
- High percentage of multi-unit housing
- High percentage of older adults

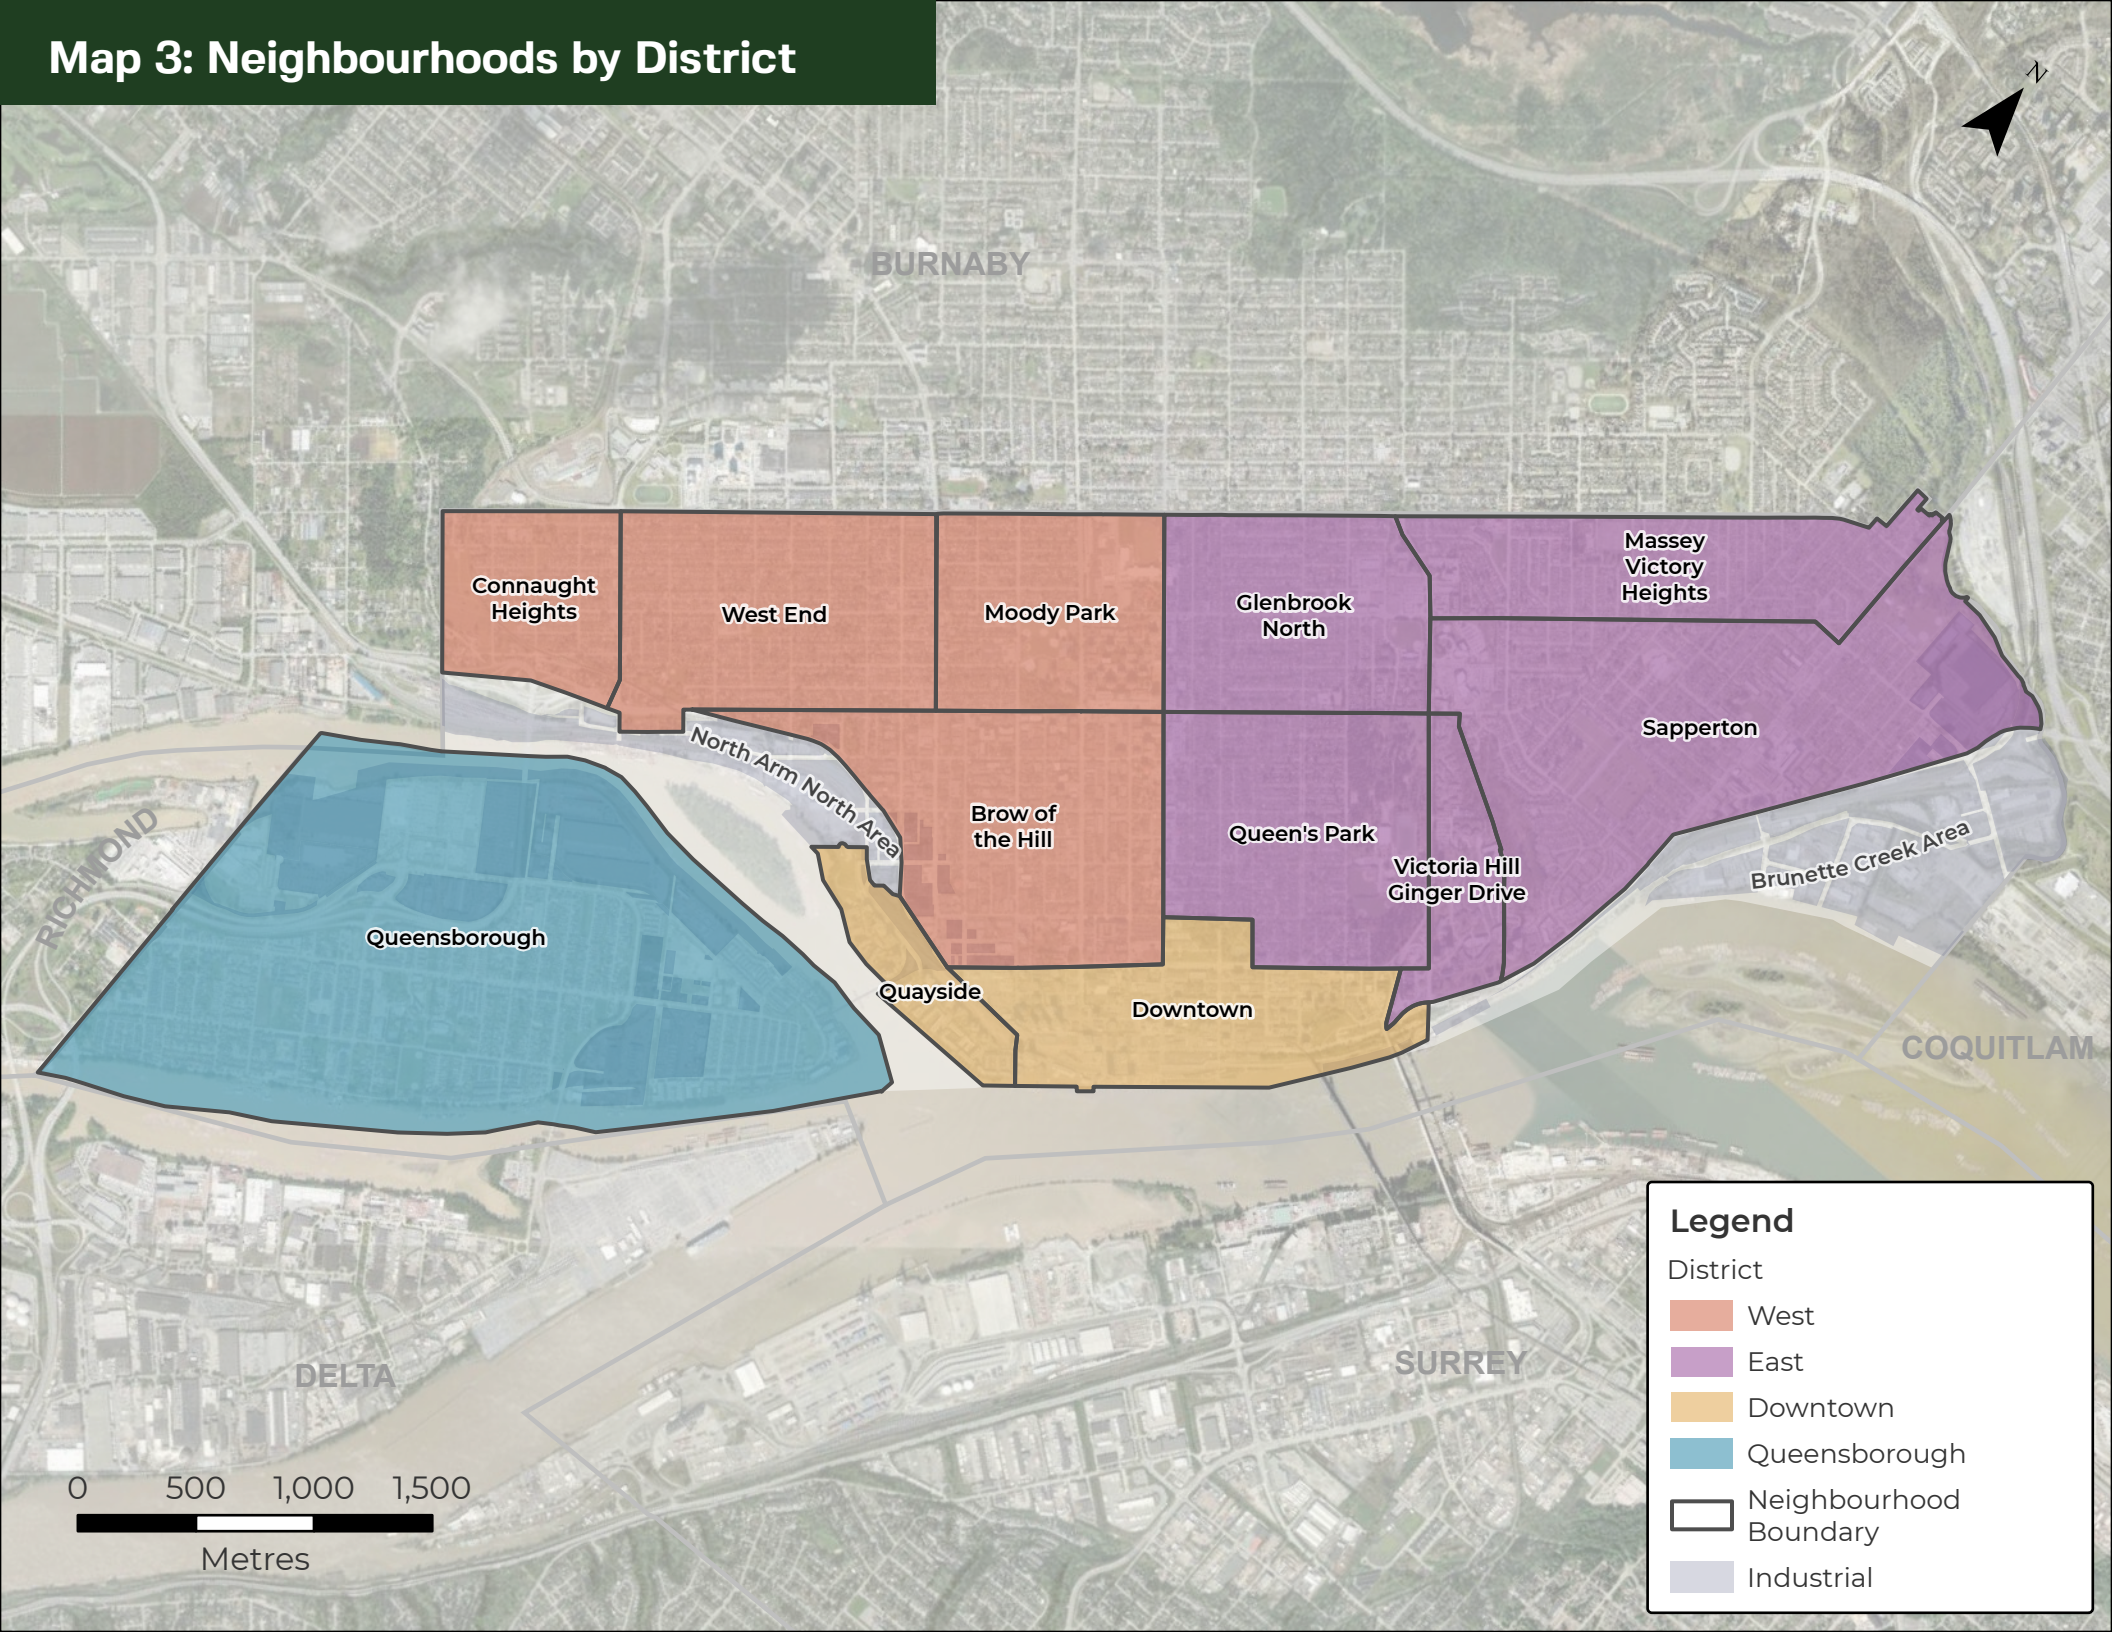

(No area meets all four criteria)

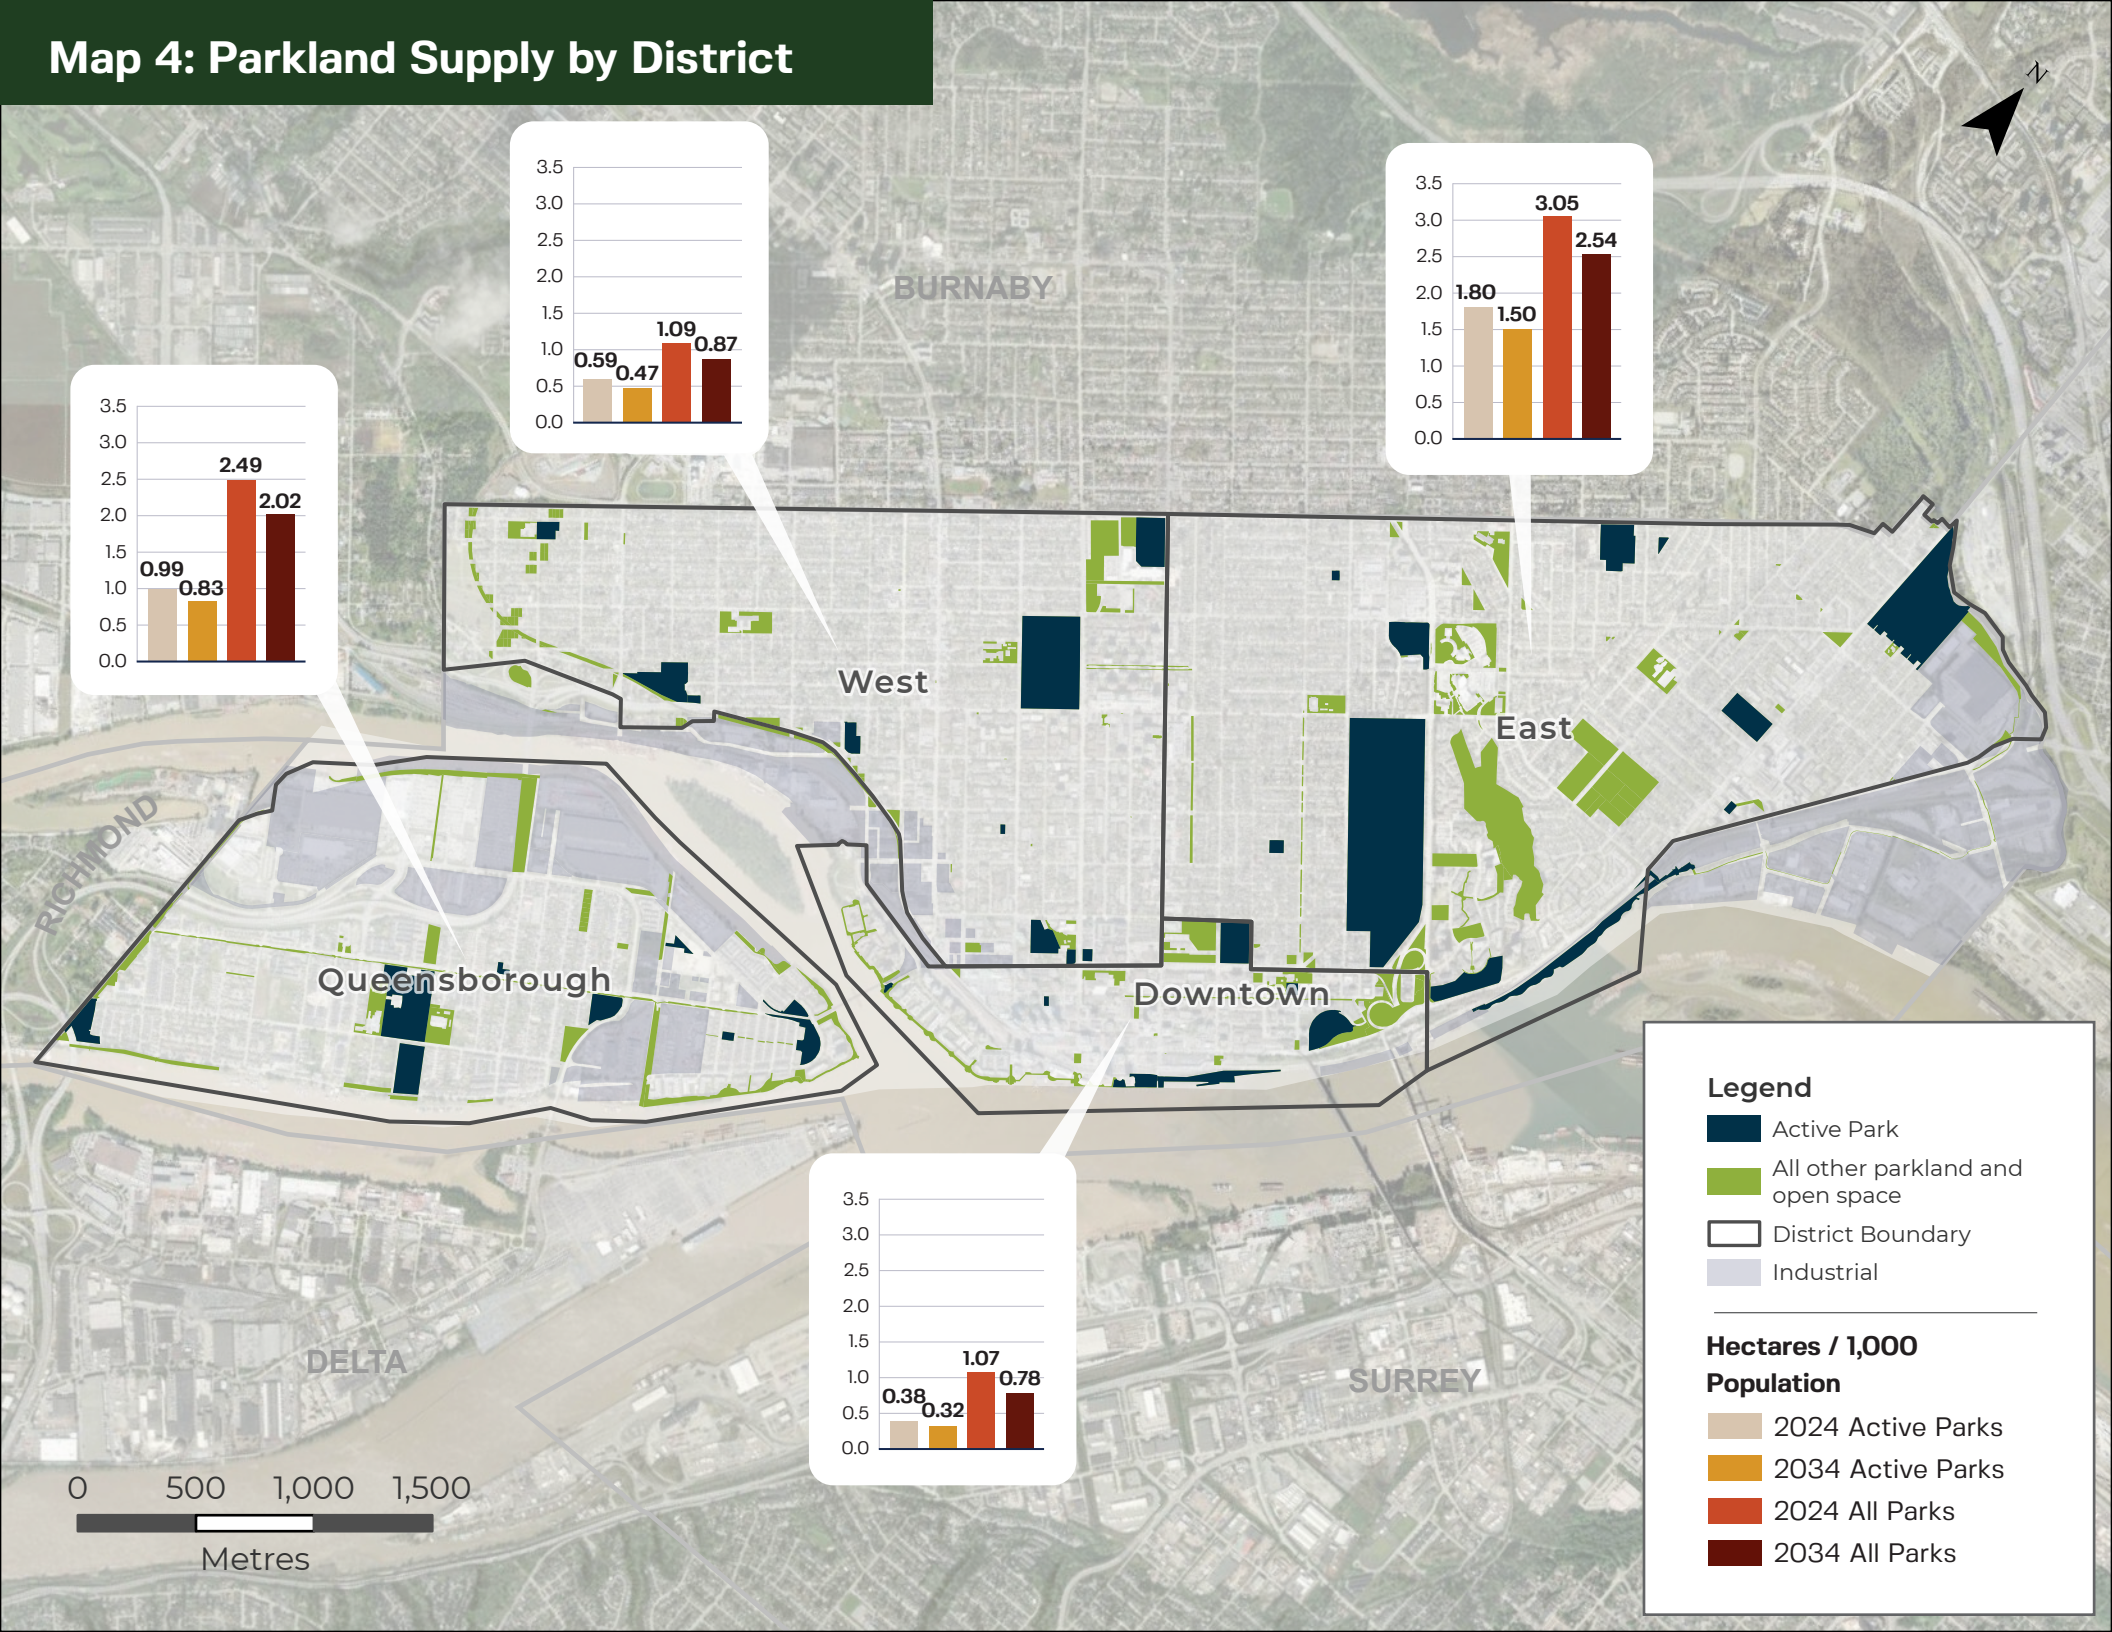

Map 2: Parks and Open Spaces

Map 3: Neighbourhoods by District

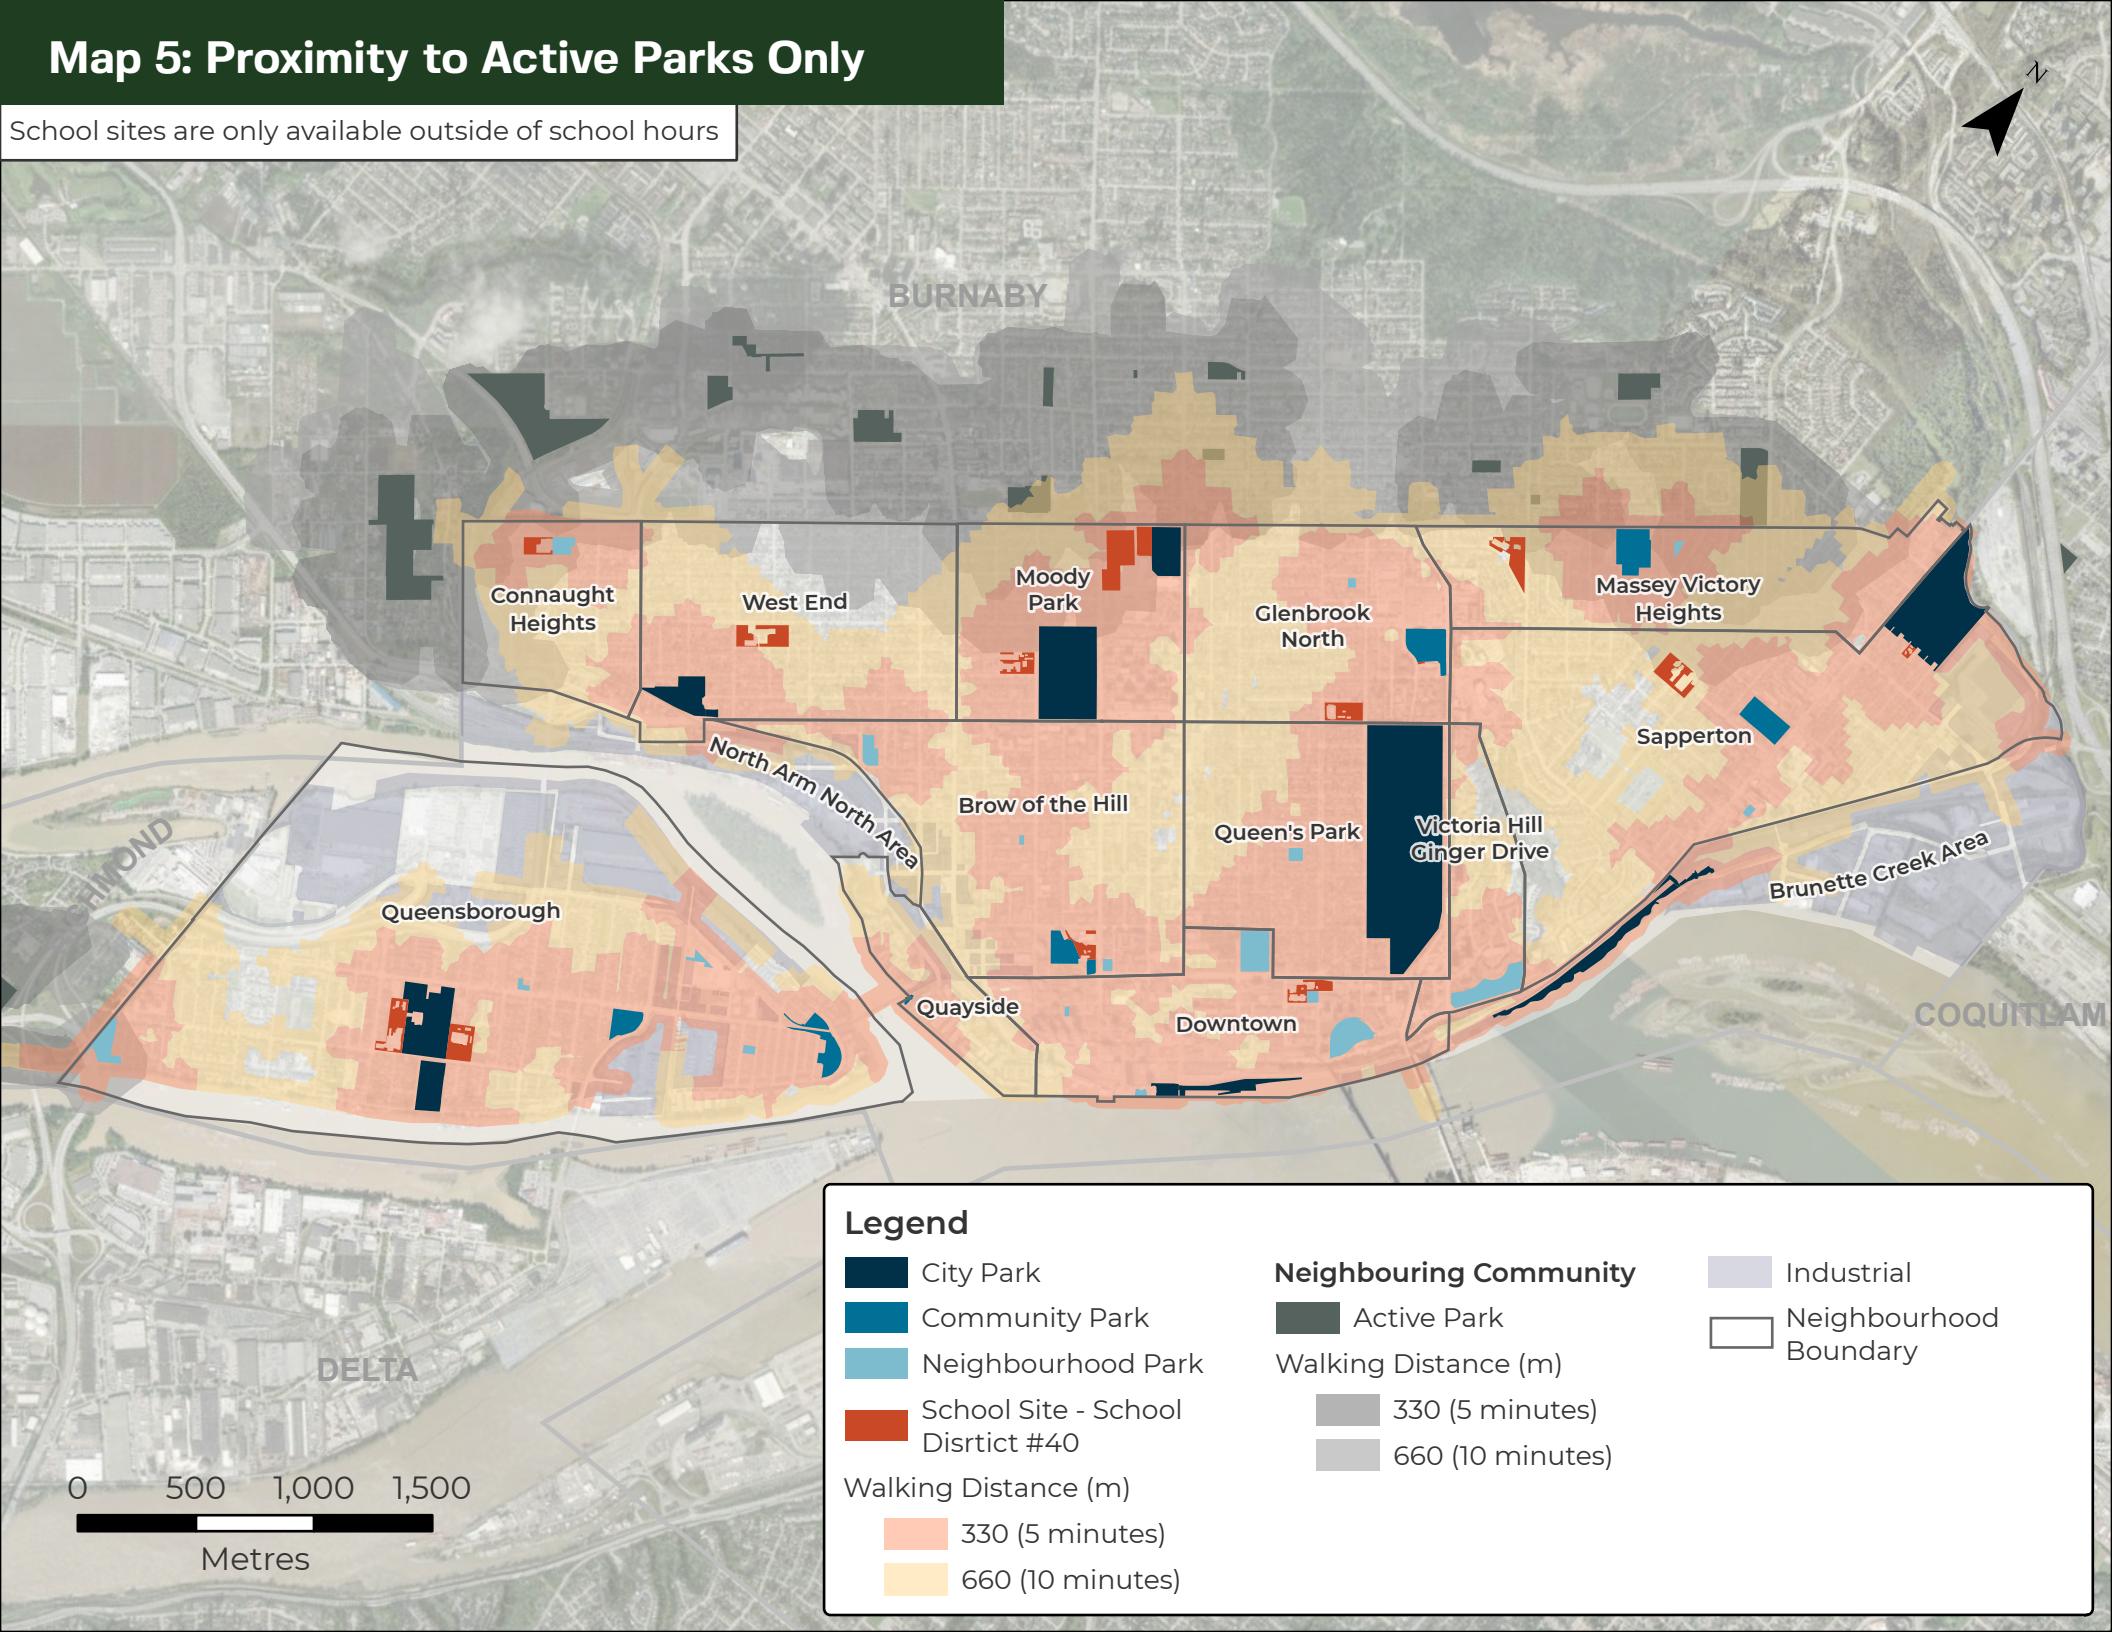

Map 4: Parkland Supply by District

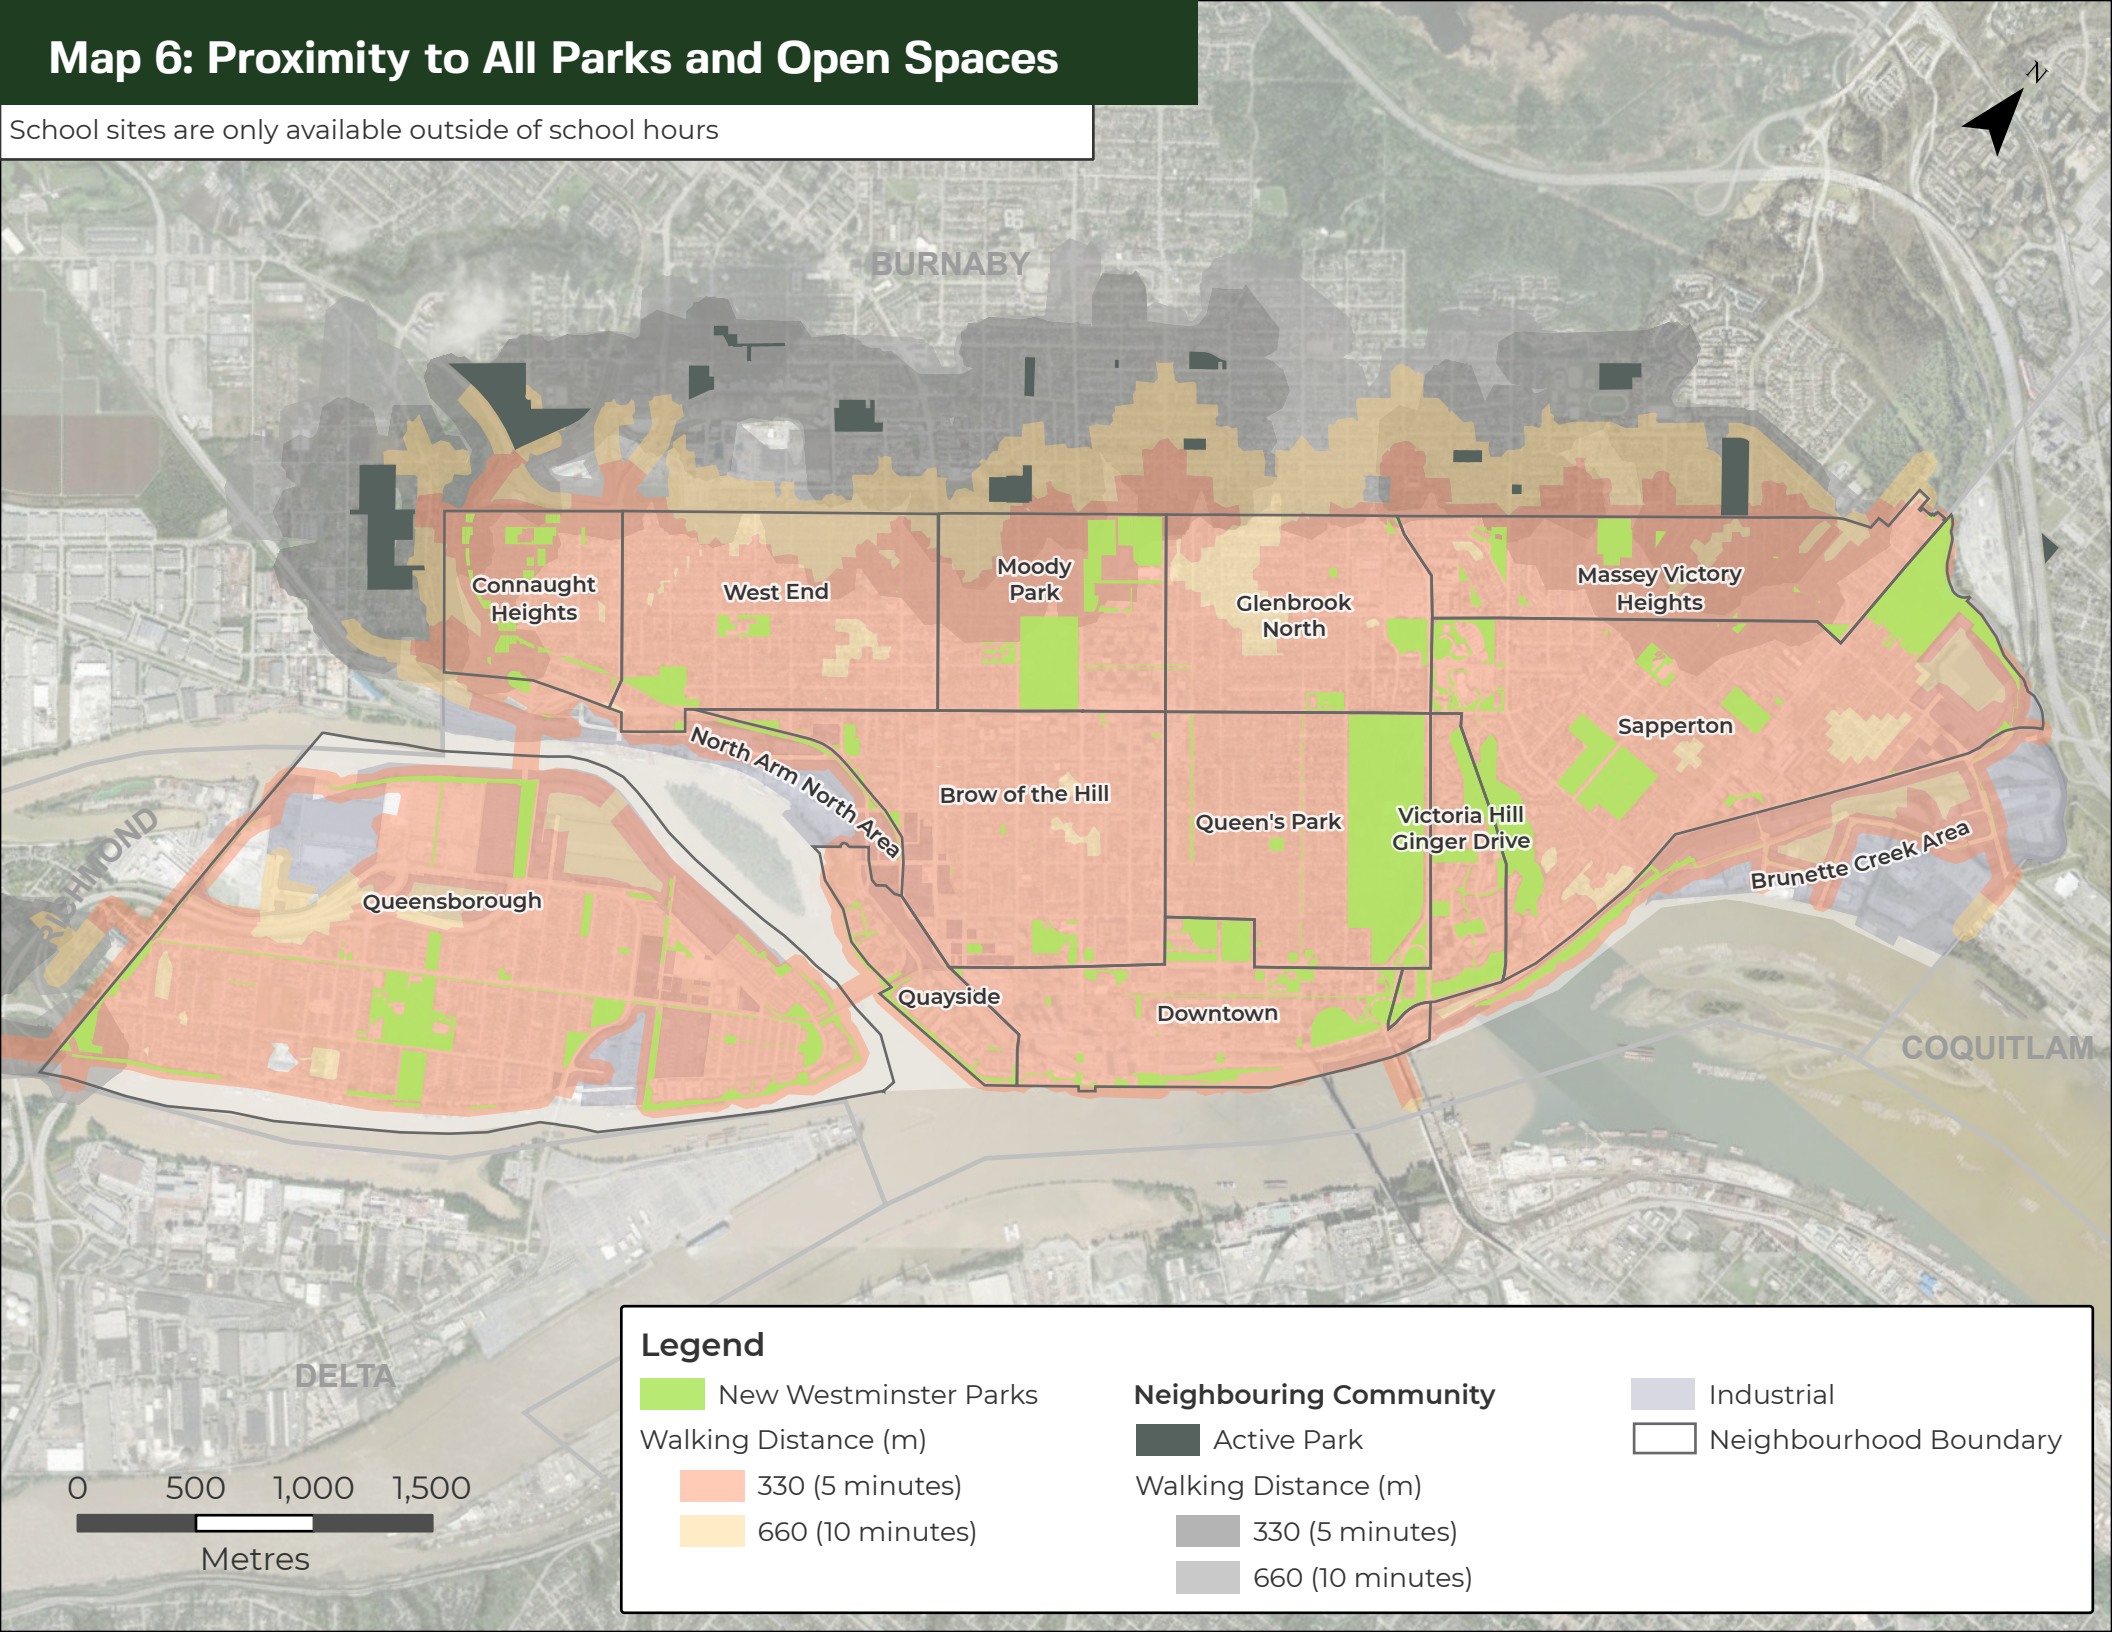

Map 5: Proximity to Active Parks Only

School sites are only available outside of school hours

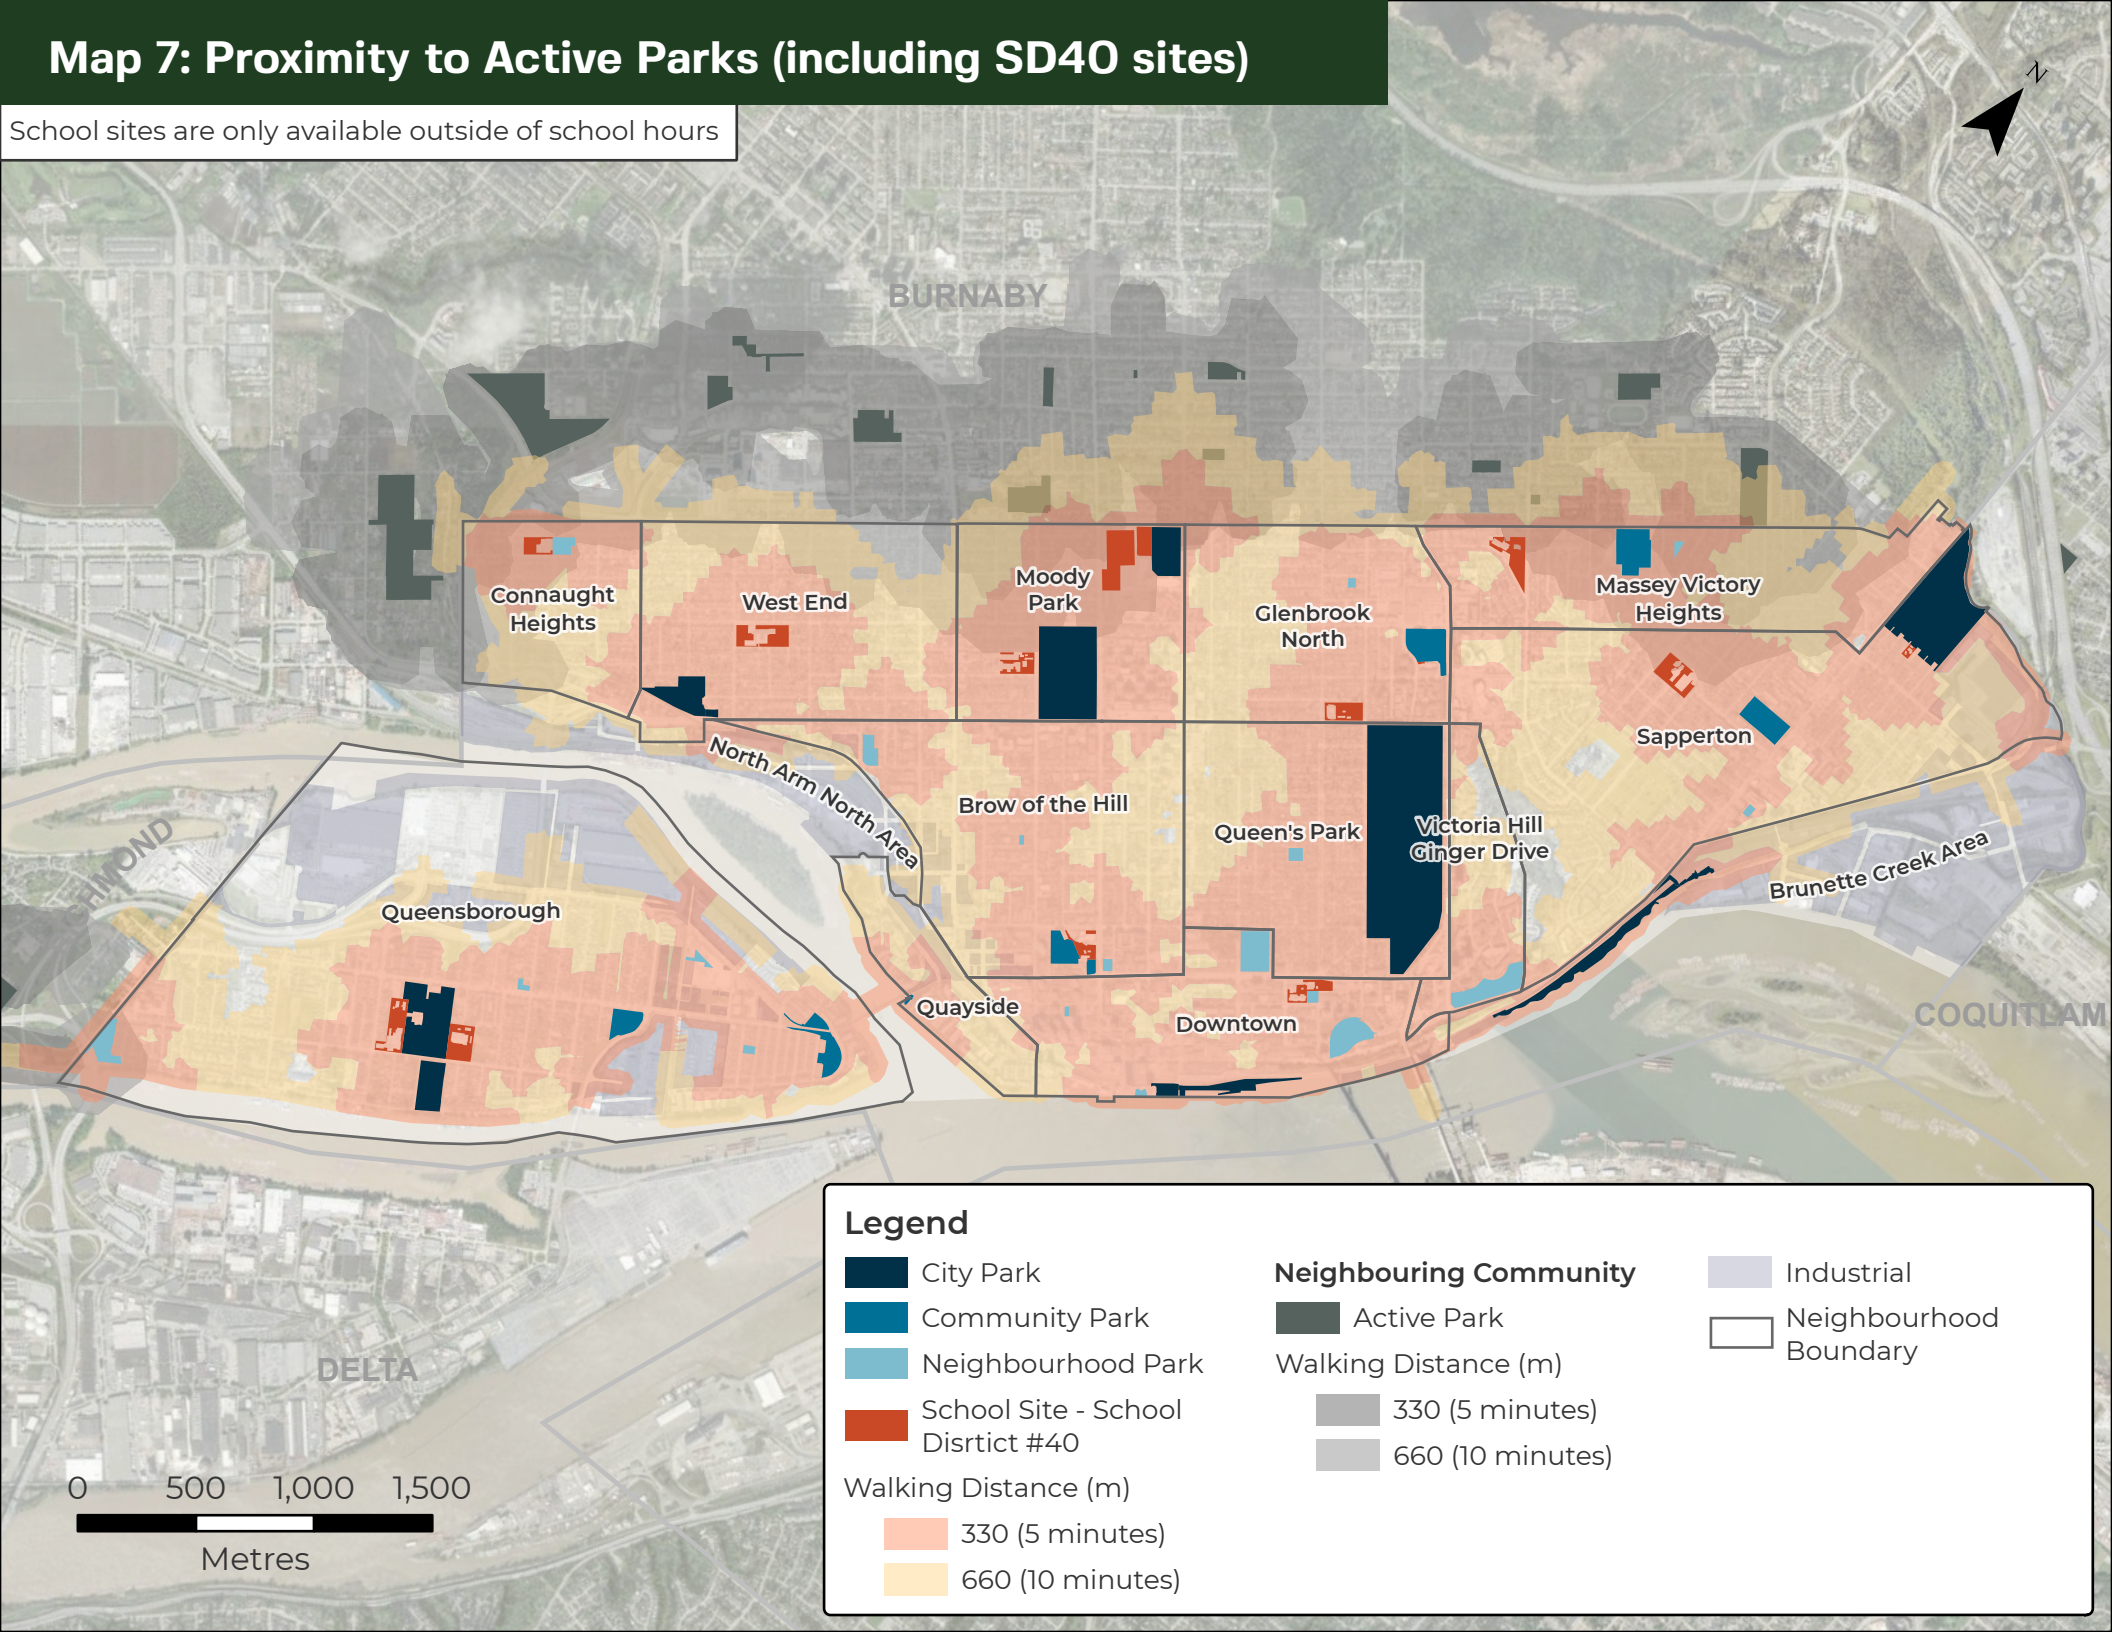

Map 6: Proximity to All Parks and Open Spaces

School sites are only available outside of school hours

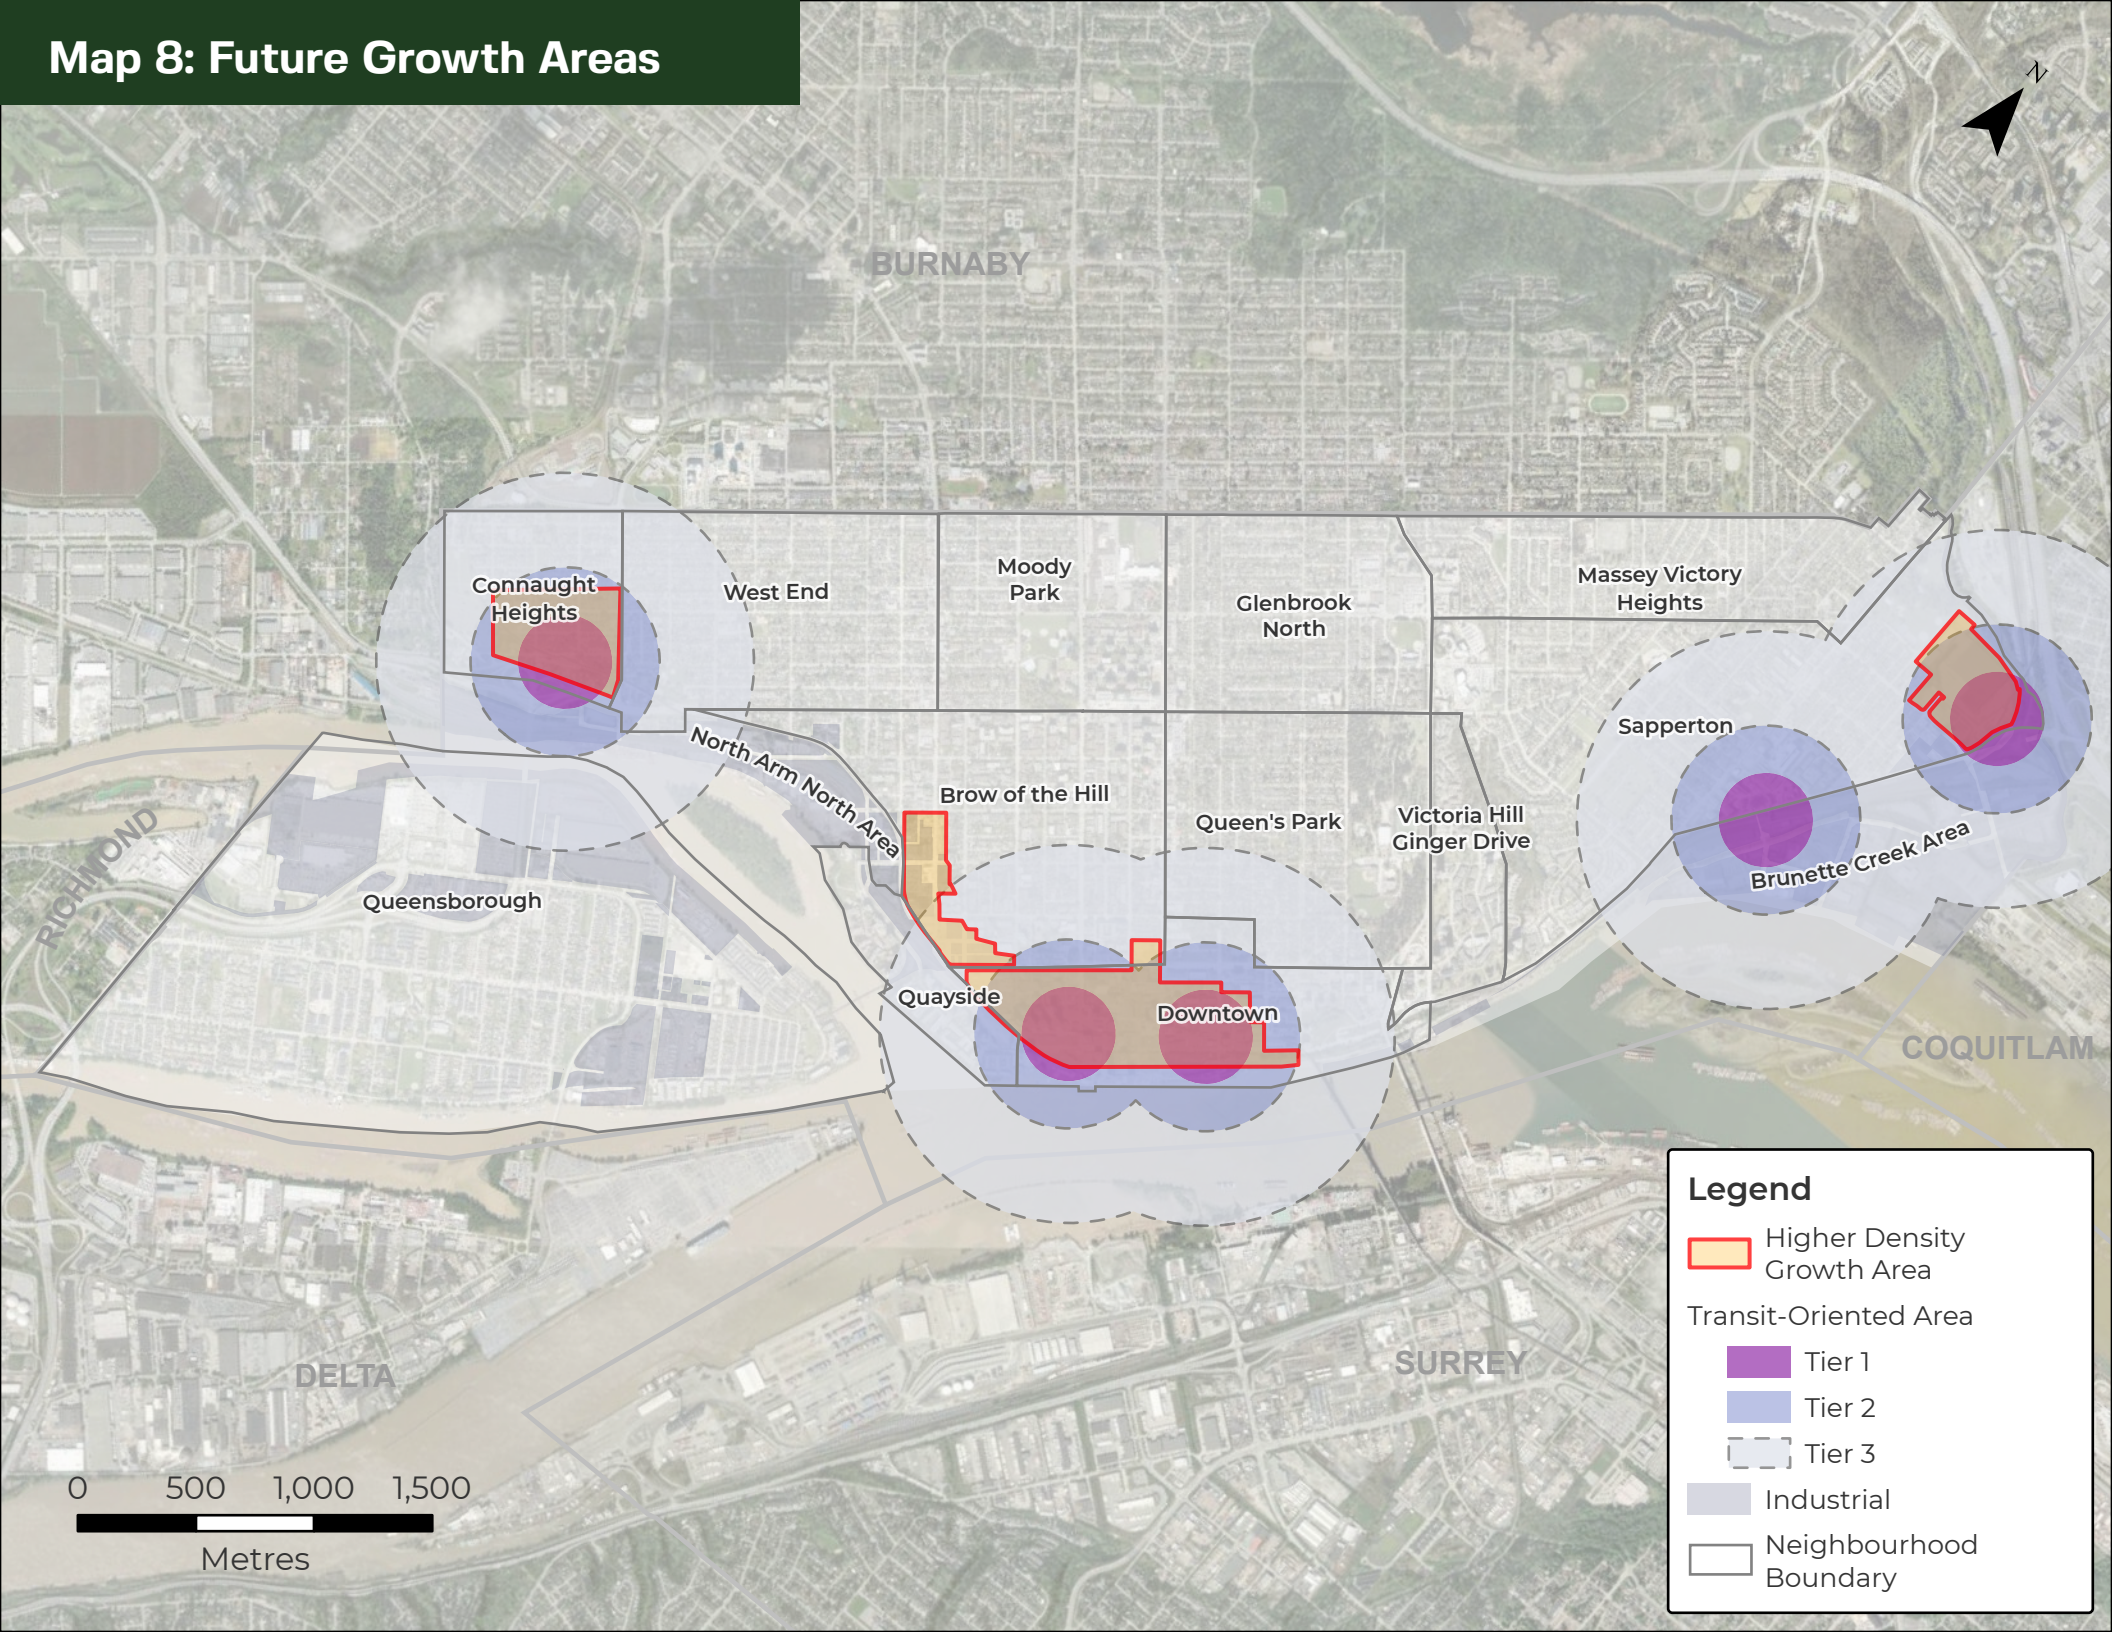

Map 7: Proximity to Active Parks (including SD40 sites)

School sites are only available outside of school hours

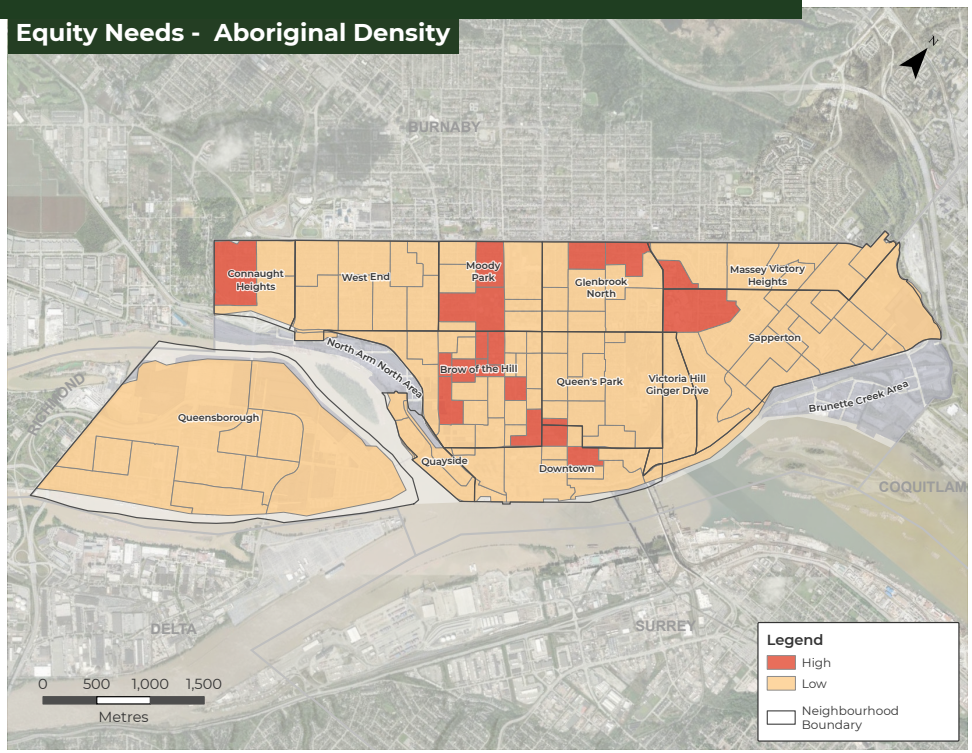

Map 8: Future Growth Areas

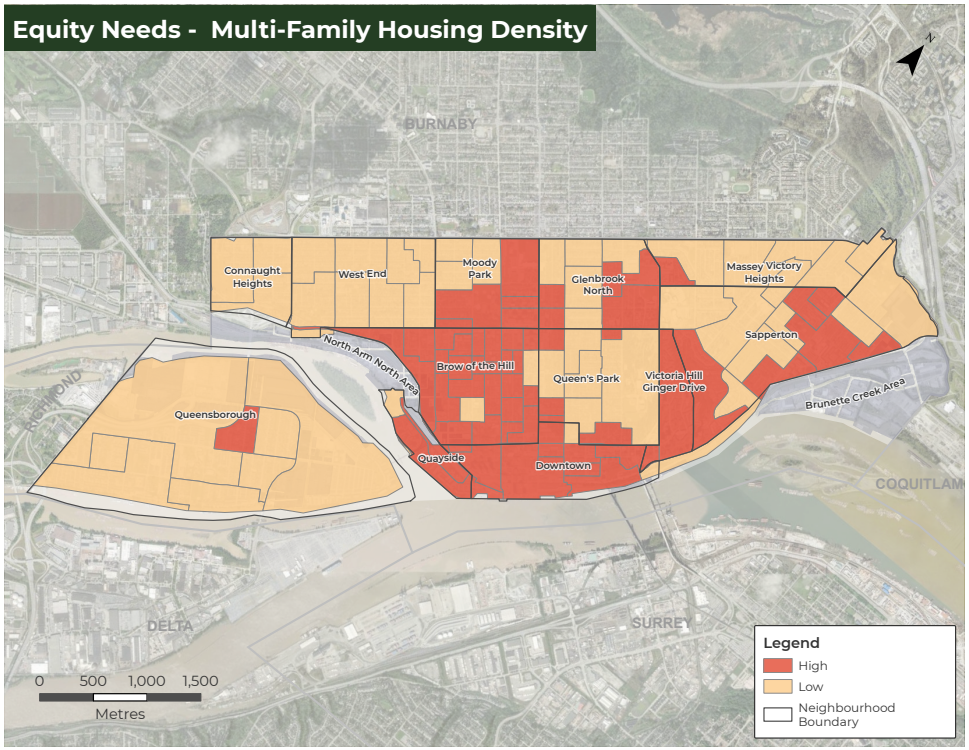

Map 9: Equity Individual Scores

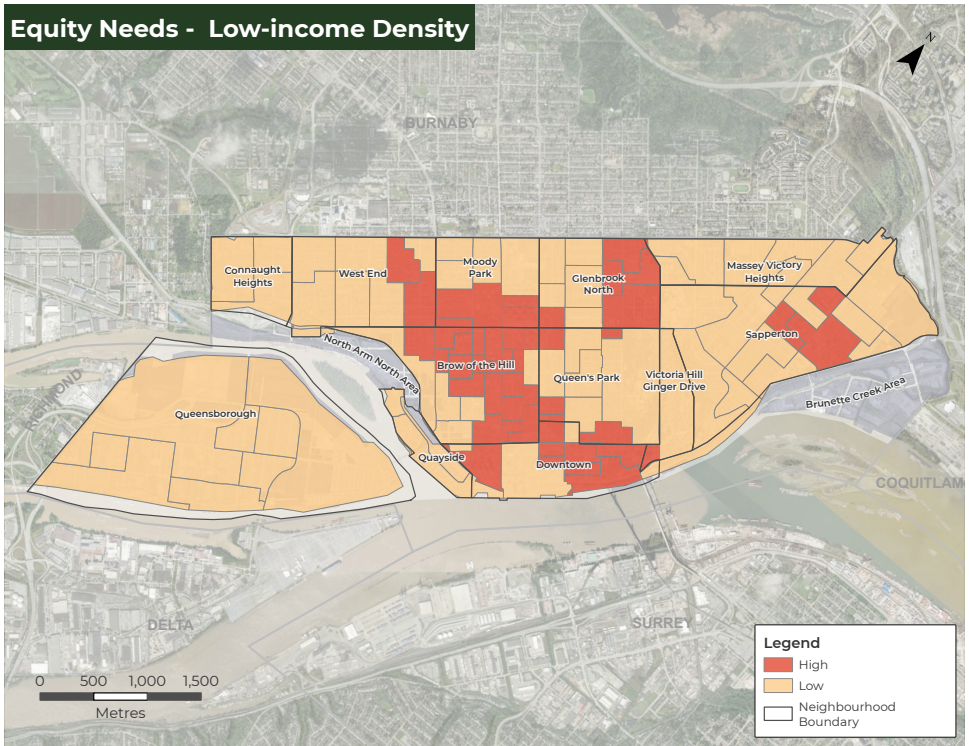

Equity Needs - Aboriginal Density

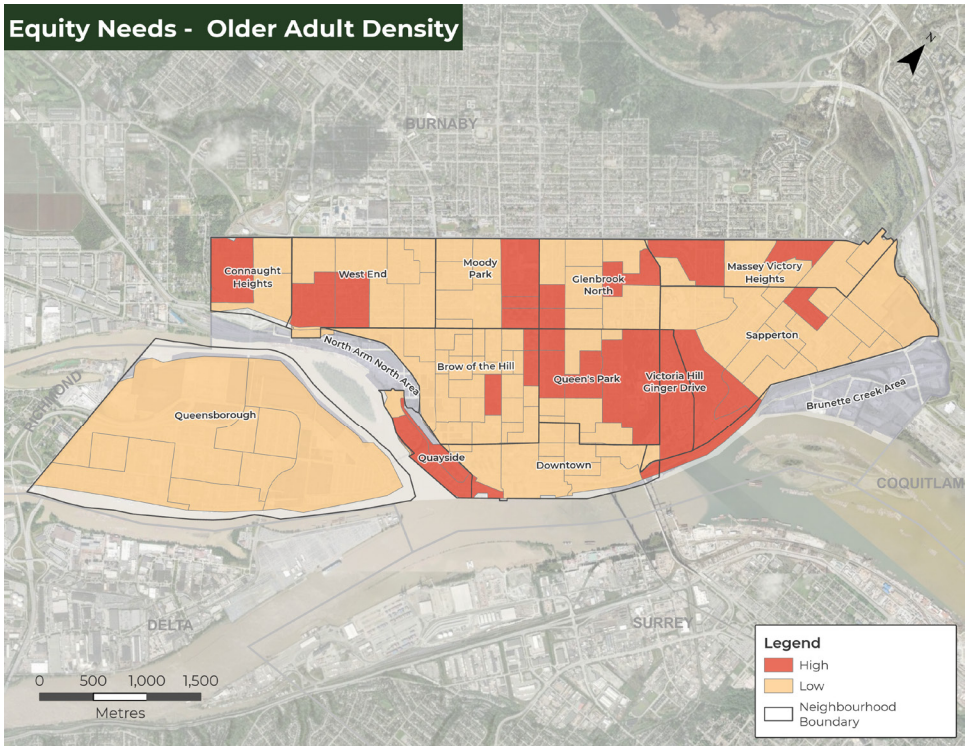

Equity Needs - Multi-Family Housing Density

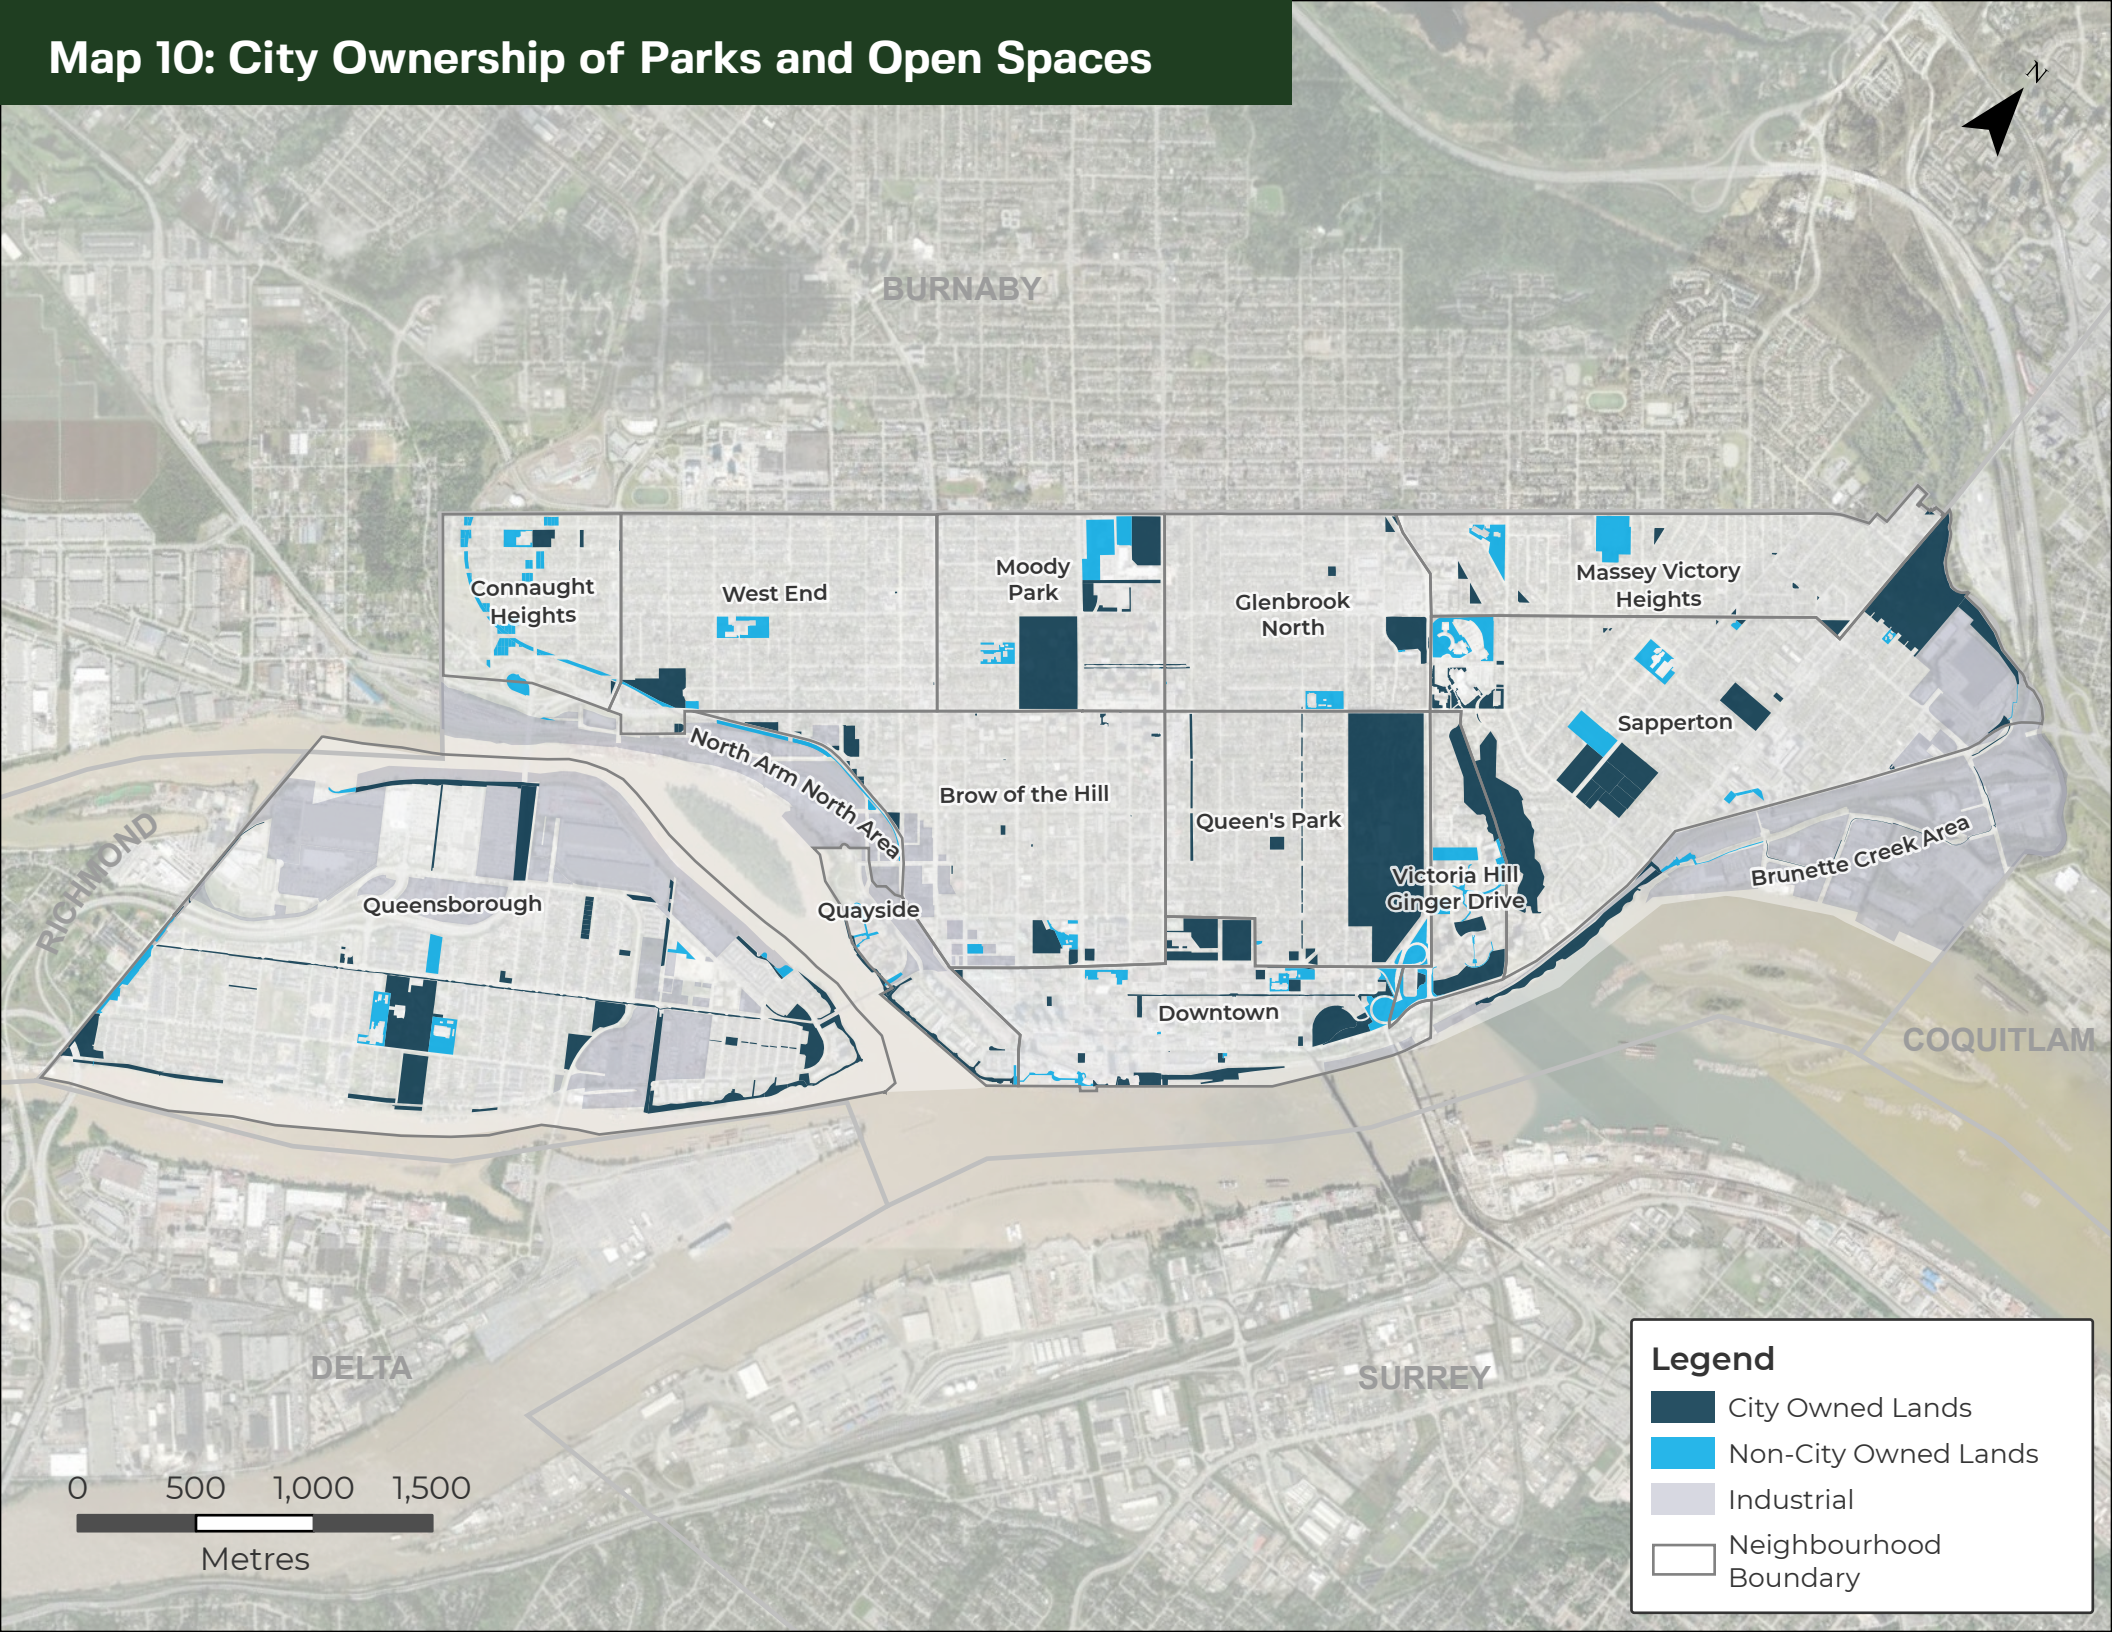

Equity Needs - Low-income Density

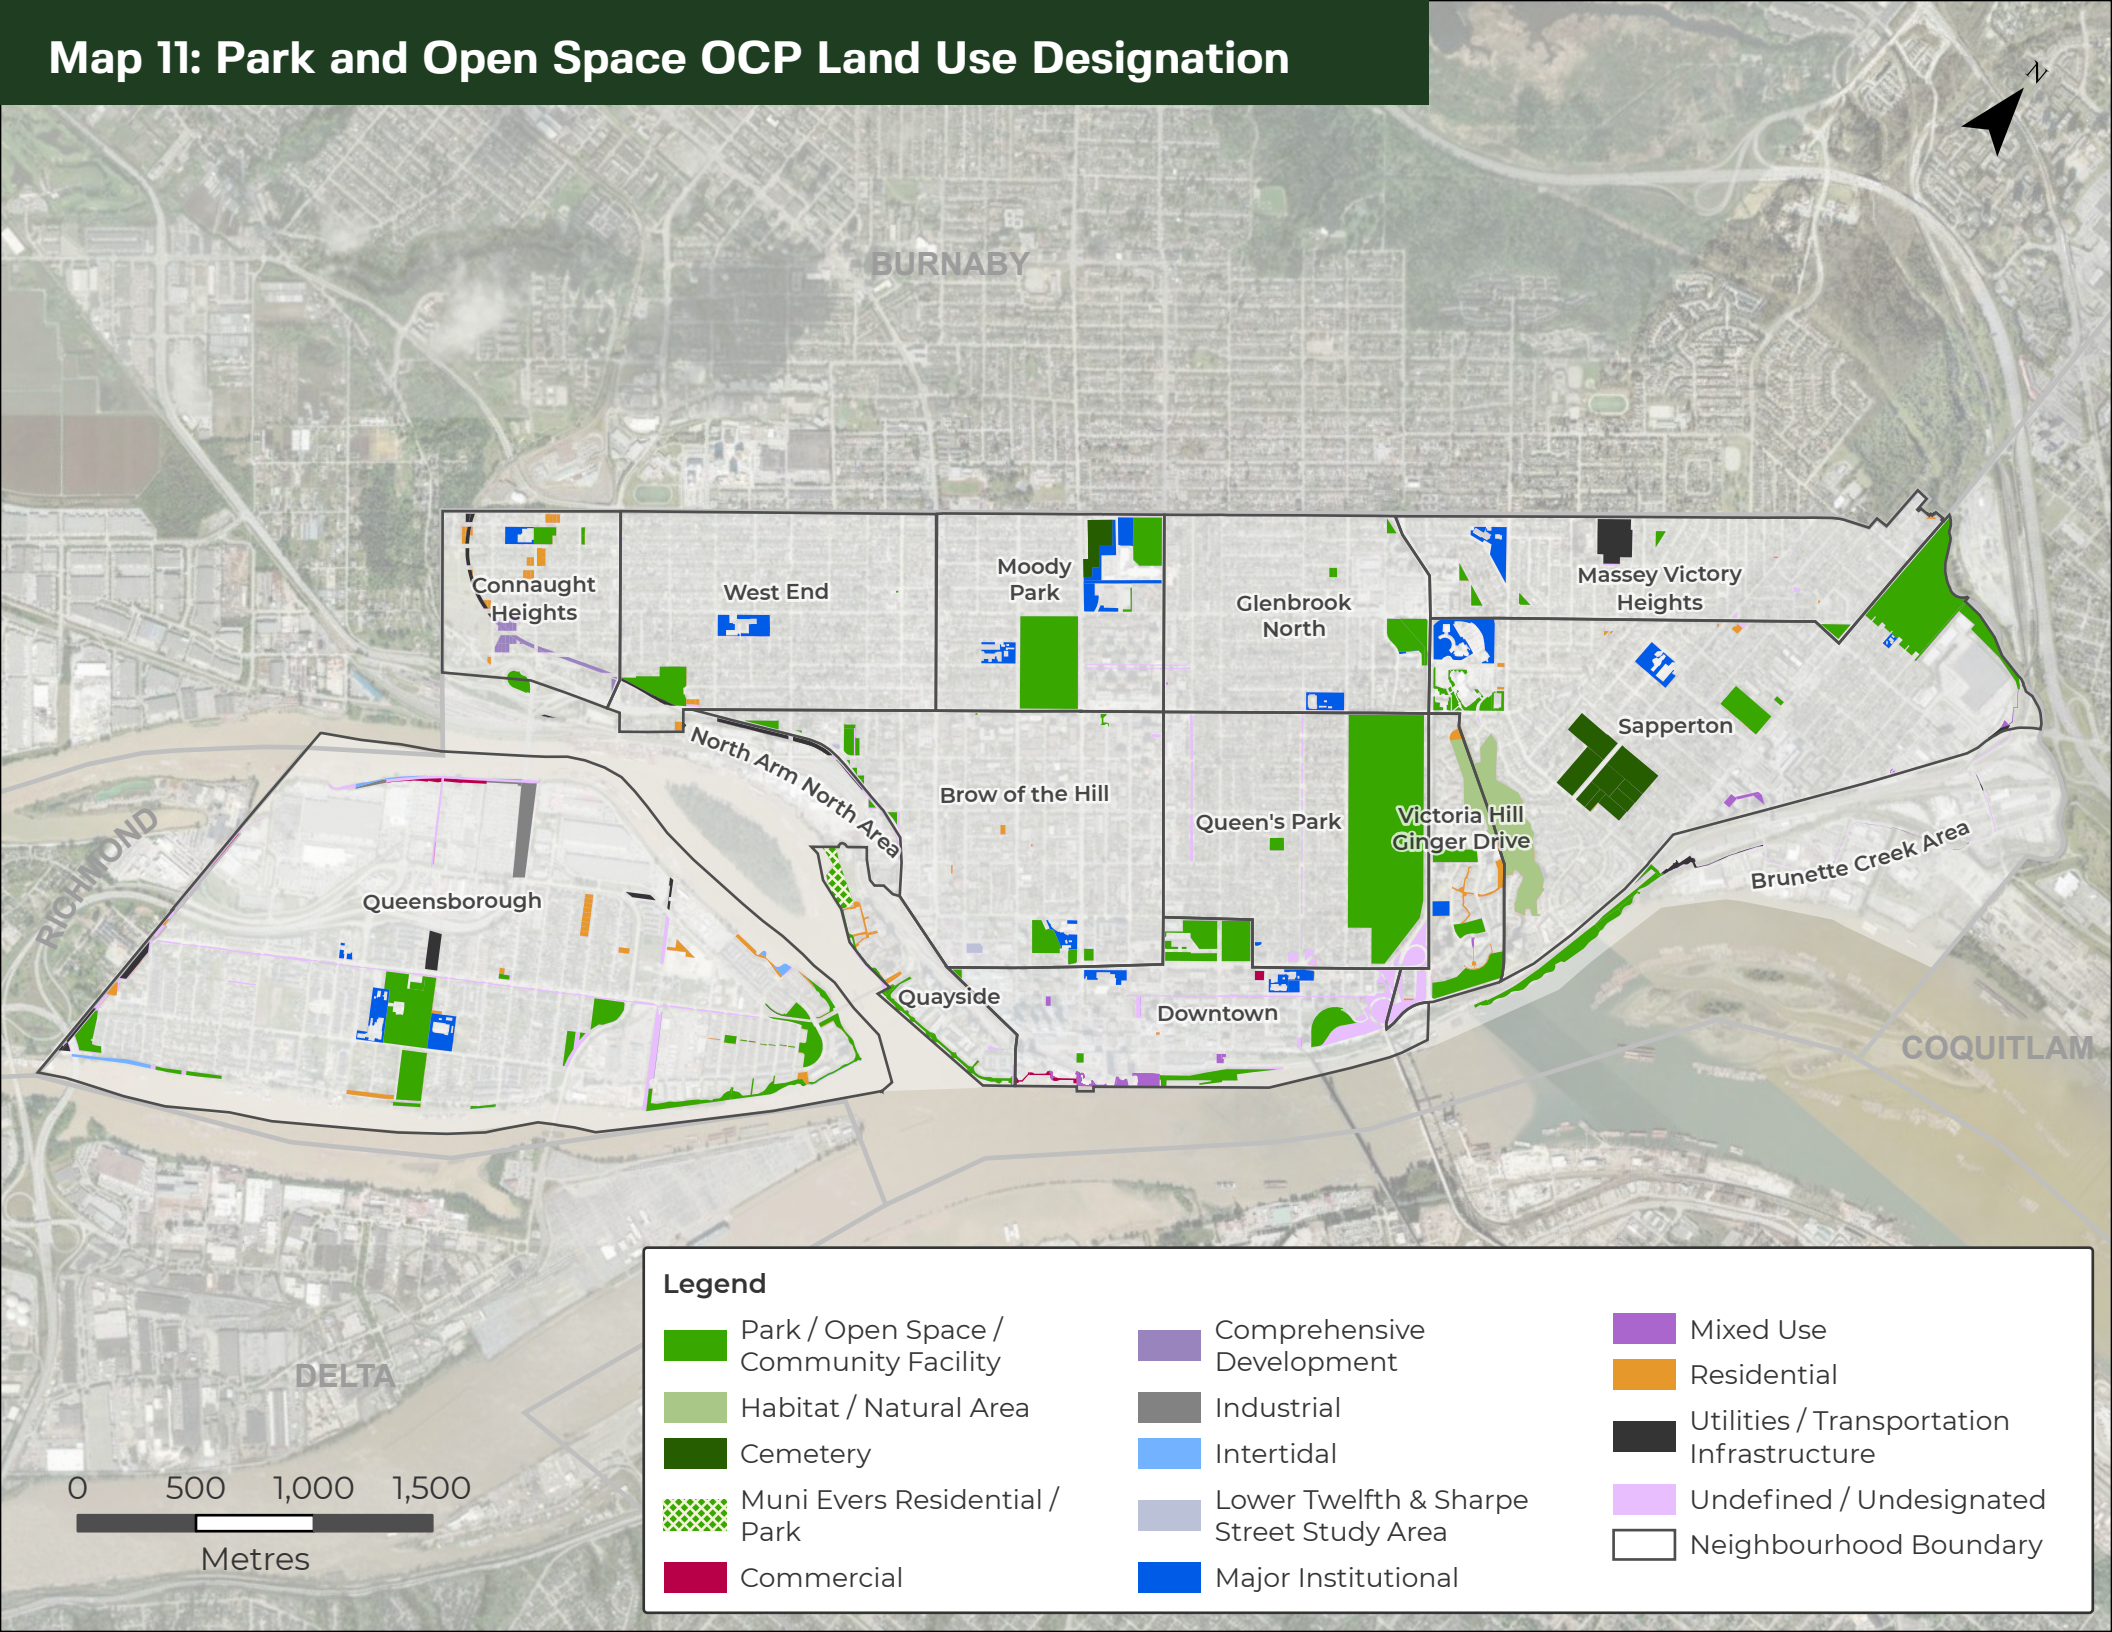

Equity Needs - Older Adult Density

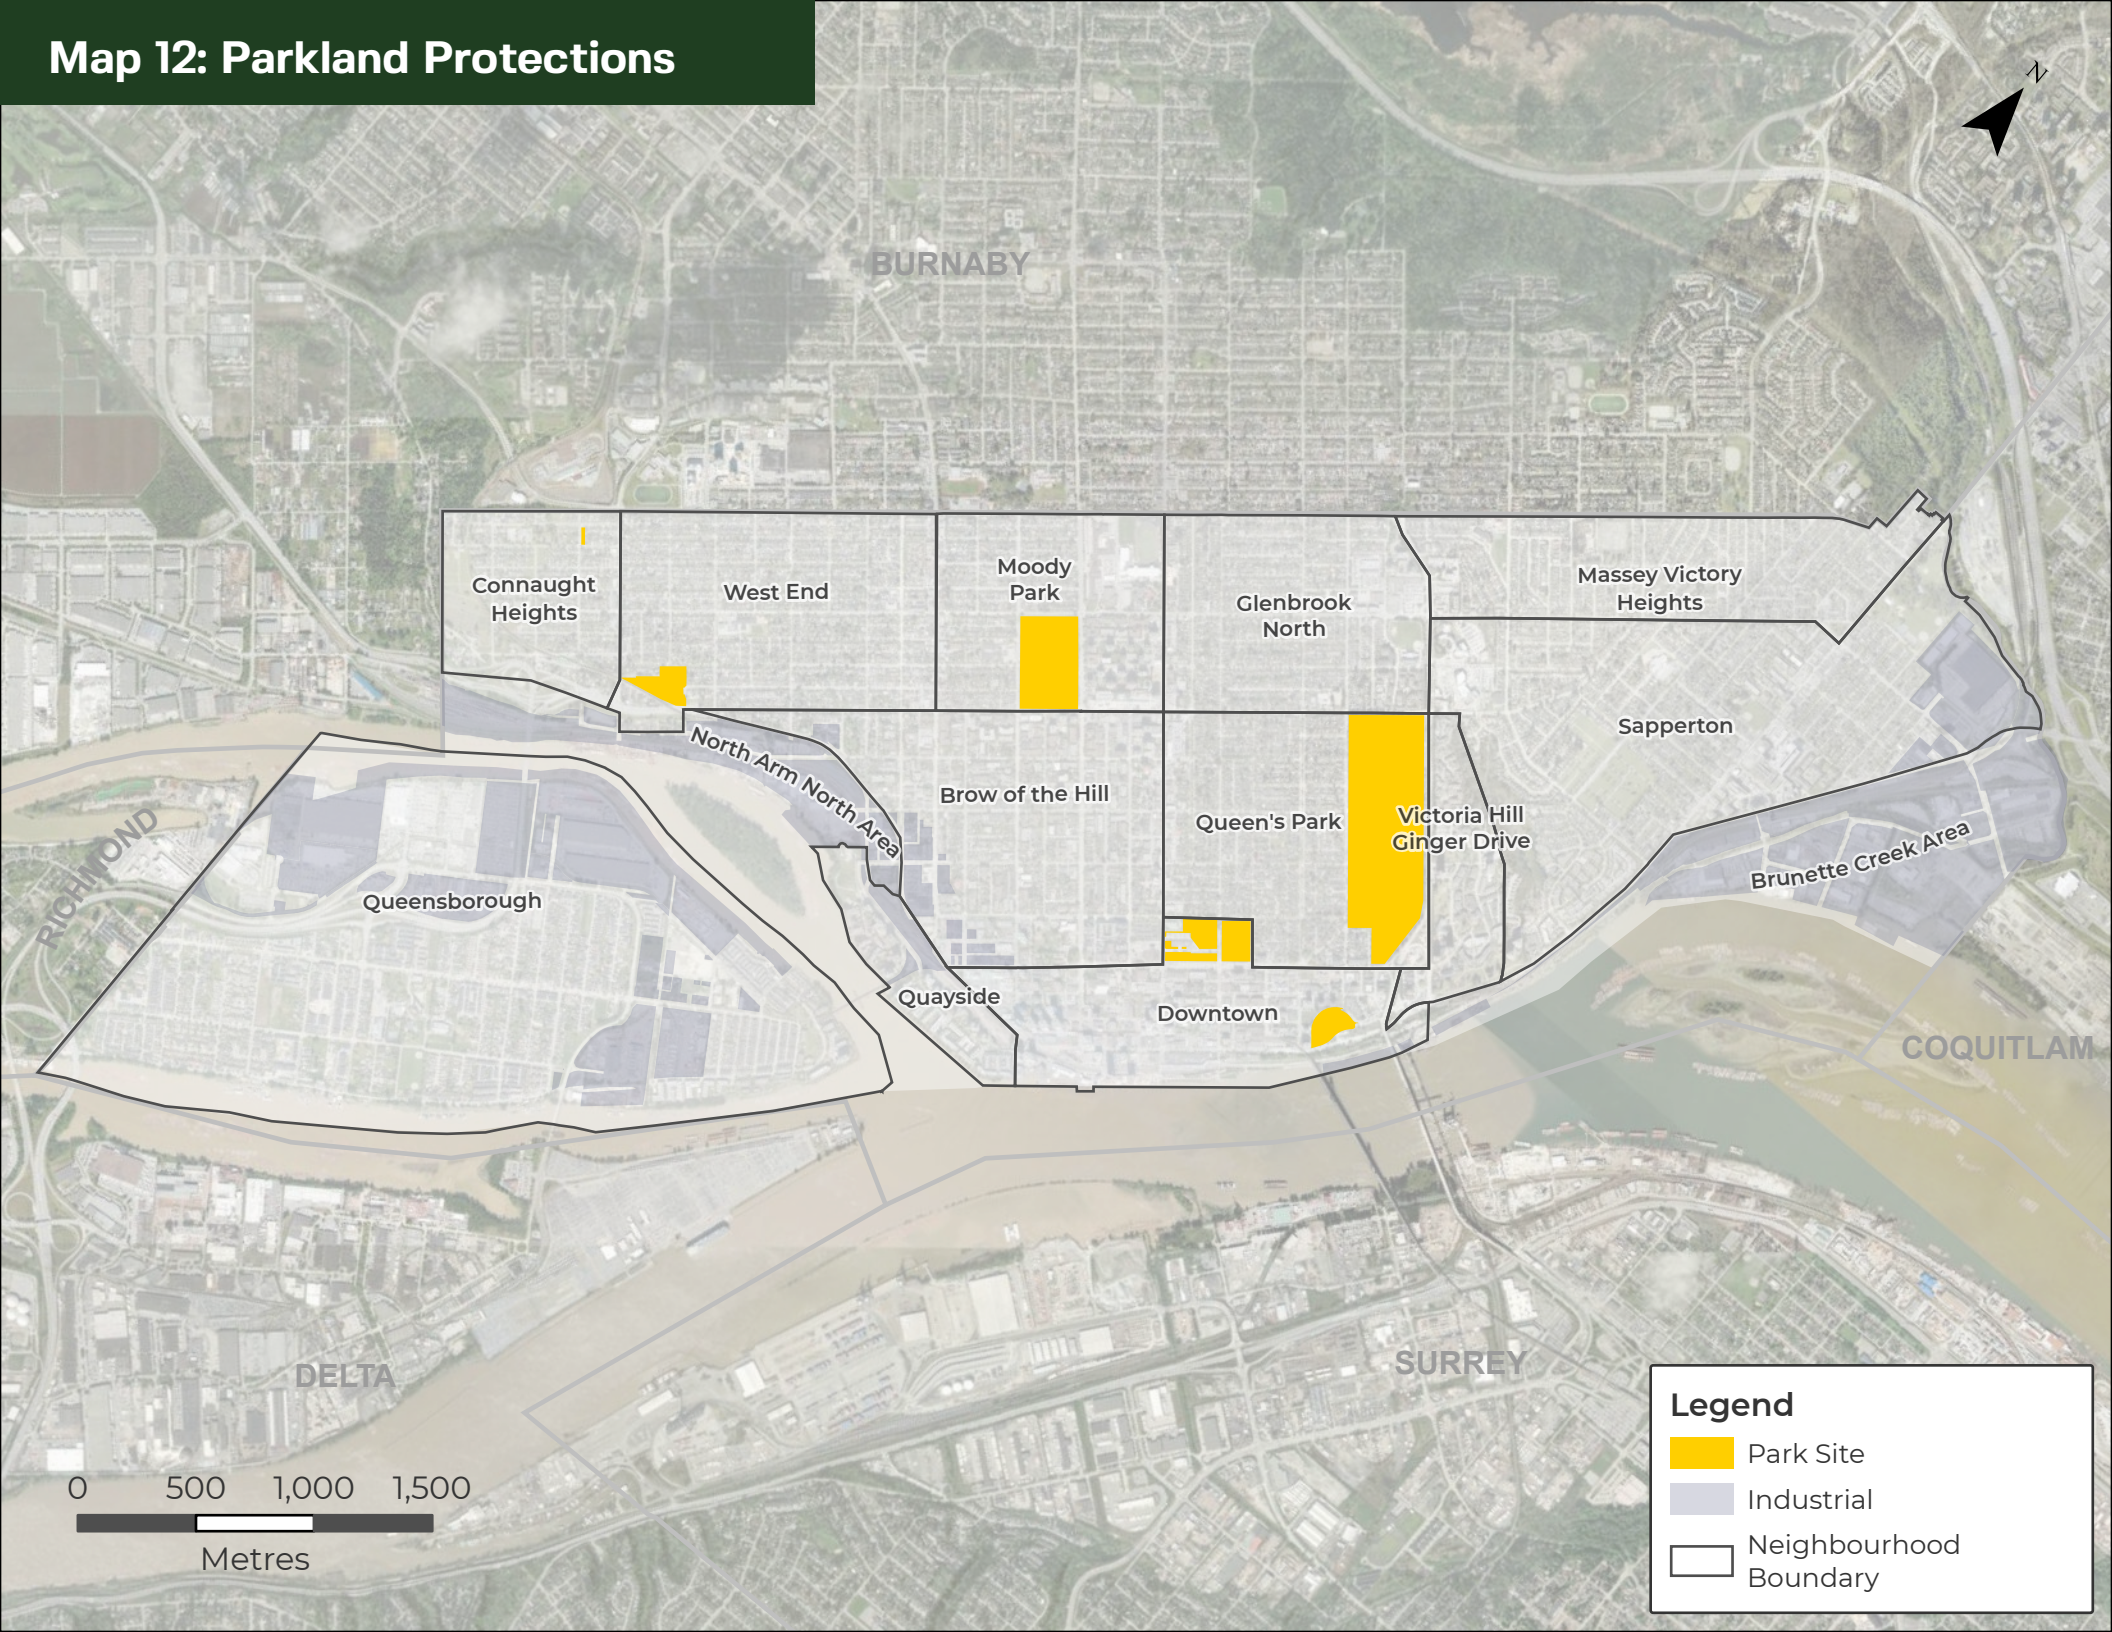

Map 10: City Ownership of Parks and Open Spaces

Map 11: Park and Open Space OCP Land Use Designation

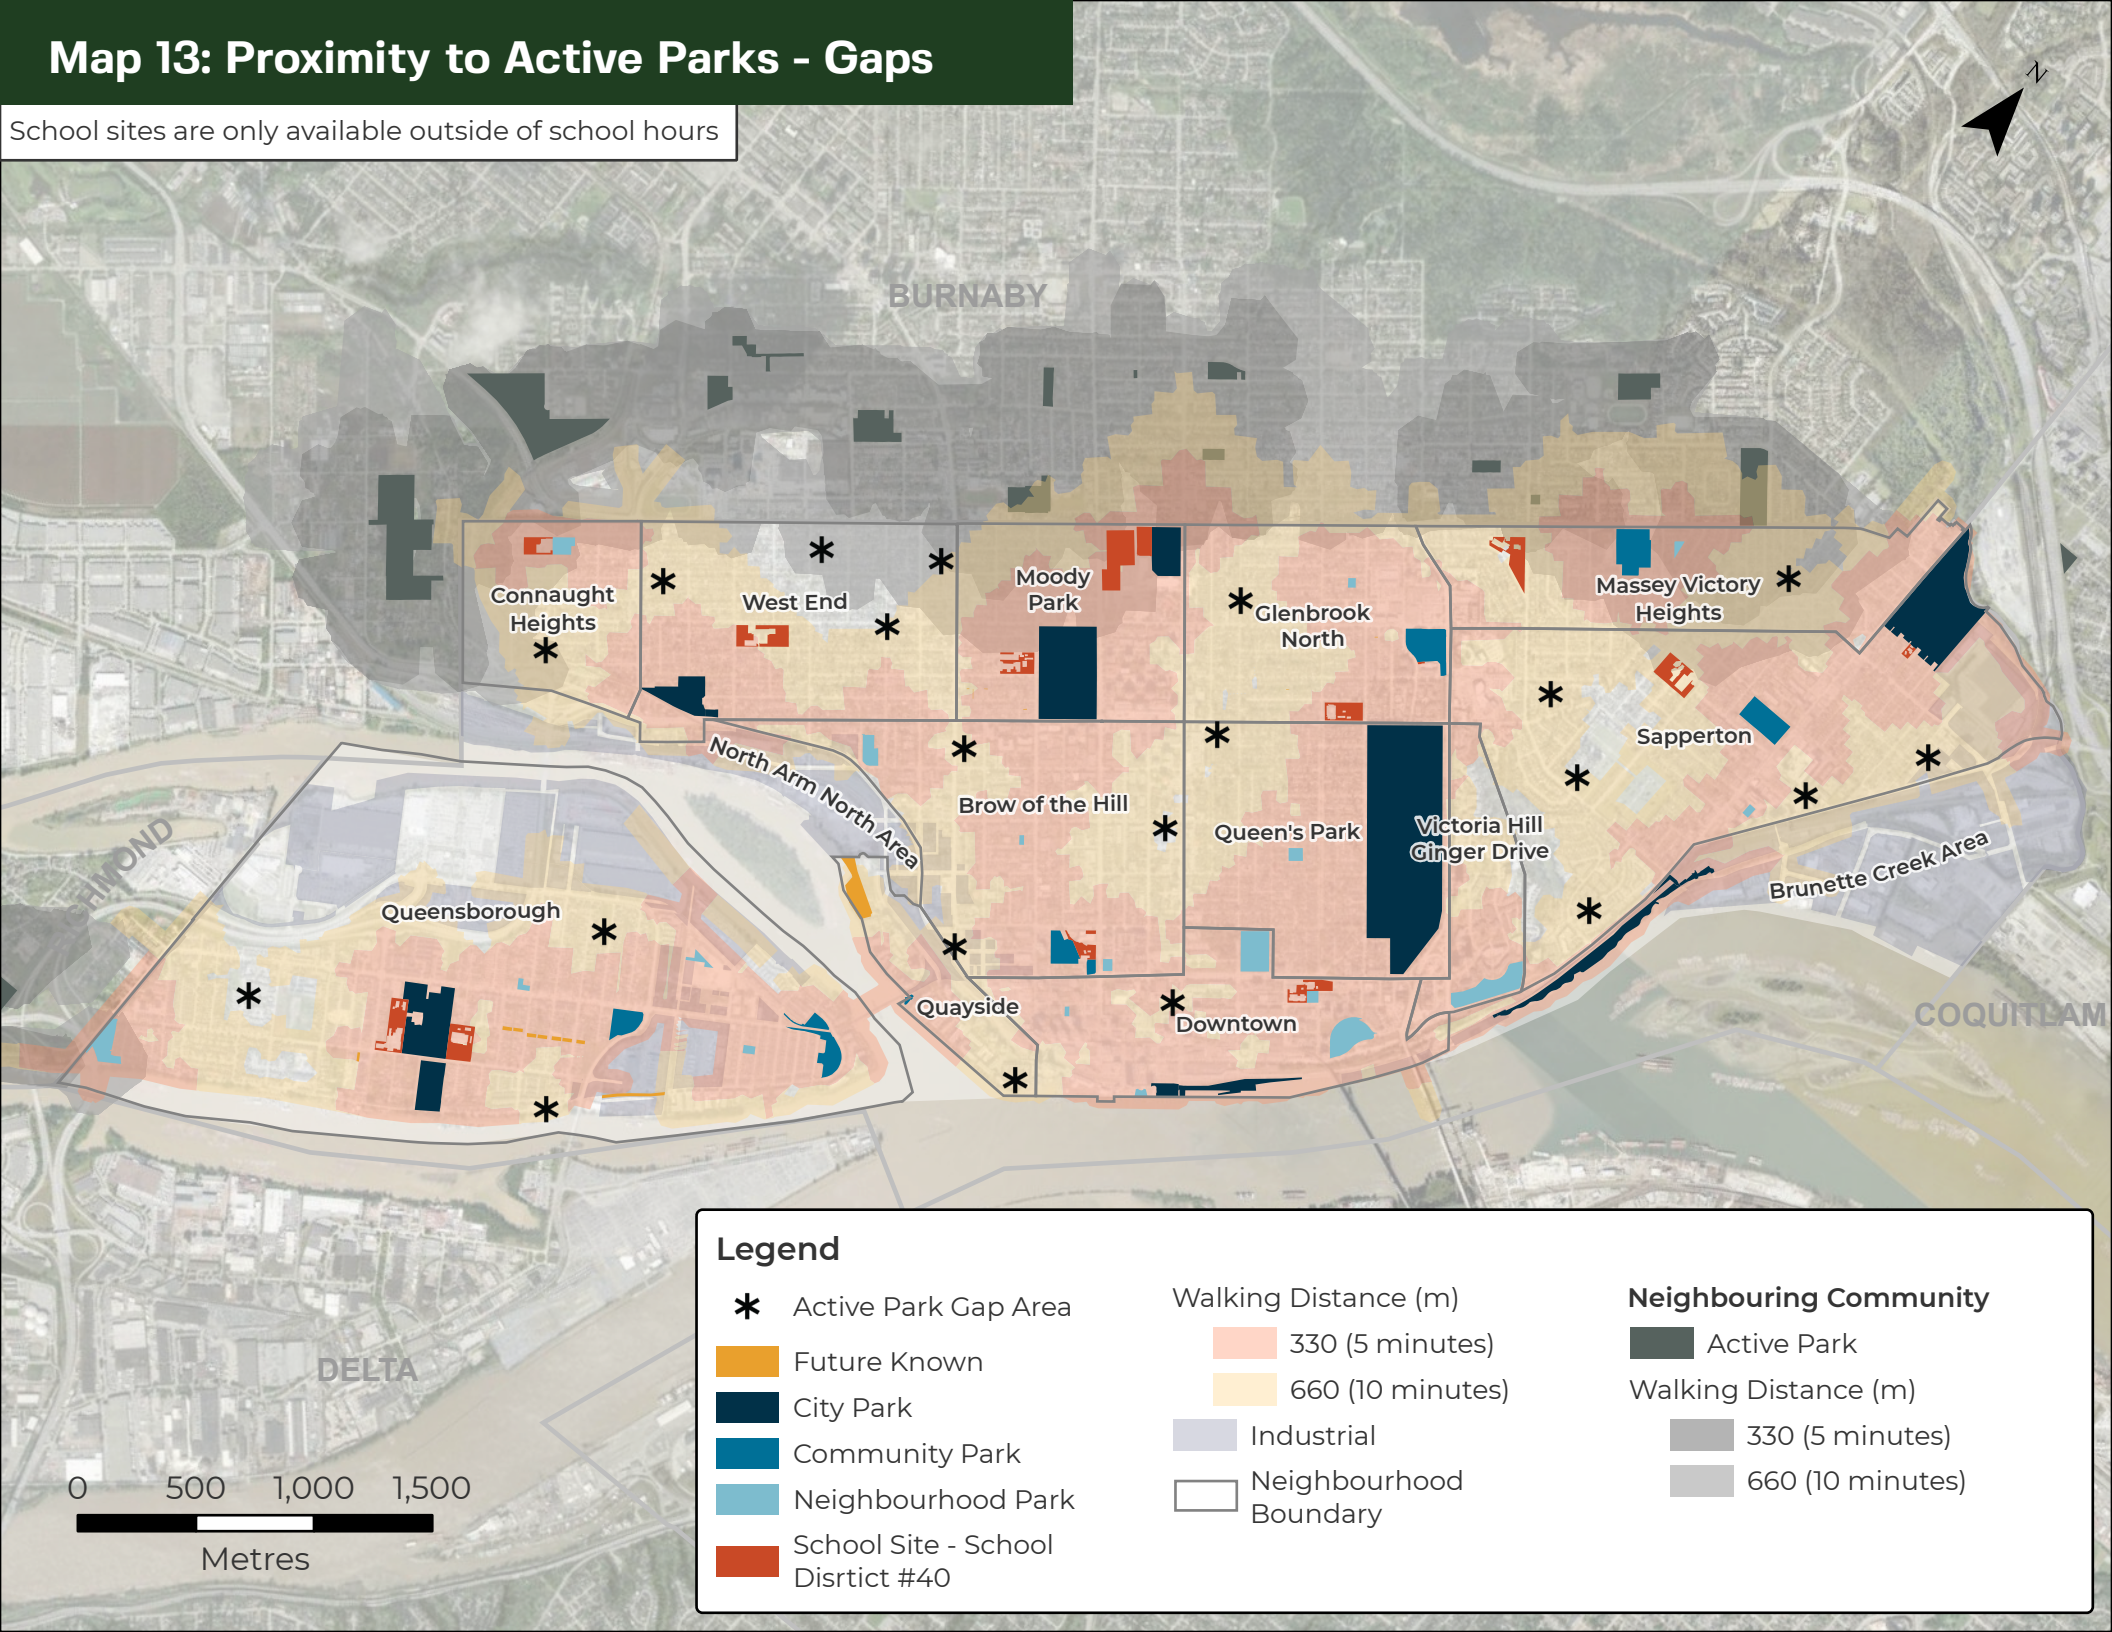

Map 12: Parkland Protections

Map 13: Proximity to Active Parks - Gaps

School sites are only available outside of school hours
