New Westminster

Discovery Playtime

Children 3 - 5 years

newwestcity.ca/rec

Discovery Playtime

Join a play-based, development program, focused on encouraging creativity, imagination, language, literacy, confidence, and independence.

Features Include:

- Specialized educators
- Early learning focused spaces
- Build your own schedule by selecting individual weekday mornings
- Two convenient locations:
  - Queensborough Community Centre
  - təməsewtxʷ Aquatic and Community Centre

Find out more at: **newwestcity.ca/discovery-playtime**

A Play Program with Purpose!

Children explore, grow, and learn through play. Discovery Playtime is a safe, inclusive, and nurturing environment that prepares children for the transition into kindergarten.

Instructors provide engaging, supportive programs where children build friendships, develop creativity, and gain confidence and independence.

Learning & Development

Learning spaces give children the chance to explore, try new things, and discover the world through hands-on activities including art, reading, puzzles, games, and music. Imagination and curiosity are sparked during dramatic play, STEM projects, and outdoor nature education.

Supporting children in our classes is prioritized at every step with guided learning and circle time discussions.

Registration

Discovery Playtime has seasonal registration dates:
Fall, Winter, and Spring.

Children must be 3 - 5 years old and potty-trained to attend.

Contact us at: **recreation@newwestcity.ca**

More Programs for Early Years & Preschool Age

Find registered and drop-in programs for early years (0 - 3 years) and preschool-age children (3 - 5 years) each season such as:

- Indoor Playland: drop-in and play with toys, games, and a bouncy castle in a gymnasium
- Art, cooking, and drama classes
- Dance: ballet, dance combo, highland
- Sports: multi-sport, soccer, basketball

Find these classes seasonally in the Active Living Guide at:
