Erosion & Sediment Control (ESC) Supervisor Confirmation of Commitment

TO: Engineering and Public Works Department

DATE:_____

RE: Address of Project:_____

Legal Description of Property:_____

I_____, confirm that I have been retained
(ESC Supervisor's name)

by _____ for the project at the property noted above.
(Owner/Agent)

I am qualified to be an ESC Supervisor, since I:

(a) am registered and in good standing and acting under the code of ethics of a professional organization as having a membership capable of designing ESC Facilities for the purpose of fulfilling the objects of this Bylaw, and which organization may include, but may not be limited to: Association of Professional Engineers and Geoscientists of BC; Association of BC Forest Professionals; College of Applied Biology; Applied Science Technologists and Technicians of BC; BC Institute of Agrologists; EnviroCert International (Certified Professional in Erosion and Sediment Control); or BC Society of Landscape Architects;

(b) have an area of expertise that is recognized in the field of erosion and sediment control as one that is acceptable for the purpose of providing all or part of the design, inspection and monitoring of ESC Facilities; and

(c) am acting within my area of expertise.

I am responsible for inspecting, monitoring and reporting on the ESC Facilities to ensure they are installed and maintained in accordance with the ESC Plan for the development occurring on the above property in accordance with the requirements of the City of New Westminster's Erosion and Sediment Control Bylaw No. 7754, 2016.

I also acknowledge the responsibility to notify the City of New Westminster of the date I cease to be retained by the Owner and/or Agent.

ESC Supervisor Signature:		Professional Seal
